 - c. all rights to seek judicial review or otherwise to challenge or contest the validity of the Decision and Order entered pursuant to this Consent Agreement; and
 - d. any claim under the Equal Access to Justice Act.
7. This Consent Agreement shall not become part of the public record of the proceeding unless and until it is accepted by the Commission. If this Consent Agreement is accepted by the Commission it, together with the draft of Complaint contemplated thereby, will be placed on the public record for a period of thirty (30) days and information with respect thereto publicly released. The Commission thereafter may either withdraw its acceptance of this Consent Agreement and so notify the Proposed Respondents, in which event it will take such action as it may consider appropriate, or issue and serve its Complaint (in such form as the circumstances may require) and Decision and Order, in disposition of the proceeding.

Proposed Respondents waive any right they may have to any other manner of service. The Complaint may be used in construing the terms of the Decision and Order, and no agreement, understanding, representation, or interpretation not contained in the Decision and Order or the Consent Agreement may be used to vary or contradict the terms of the Decision and Order.

By signing this Consent Agreement, Proposed Respondents represent that the full relief contemplated by this Consent Agreement can be accomplished. Proposed Respondents understand that once the Decision and Order has been issued, they will be required to file one or more compliance reports showing that they have fully complied with the Decision and Order.
