

# **Ag-DISCOVERY Camp**

**ALCORN STATE UNIVERSITY**

**July 5 – 22, 2004**

## **Undergraduate Student Counselor**

### **Duties**

- 1. Assist instructors in preparing and conducting experiments for students in the laboratory.**
- 2. Chaperone the students between the hours of 8 am – 5 pm, at minimum; AND accompany students to act as additional chaperones on off-campus trips.**
- 3. The students you will be working with will be between the ages of 12 – 16 and from culturally diverse backgrounds. Realize that these students are NOT in college and will require more assistance and patience on your part.**
- 4. There will be no shouting or profanity used in the presence of the students. Reprimand and/or dismissal will result if this occurs.**
- 5. Be knowledgeable in the area of Animal Science/Veterinary Medicine in order to increase the learning experience.**
- 6. Be familiar with animal handling skills, as well as equipment usage for animal handling.**
- 7. MUST have some form of transportation (car, bike, skates, etc.)**
