Agenda: The committee will discuss, make recommendations, and vote on a premarket approval application (PMA) for an injectable device intended for use in the correction of lipoatrophy of the face in human immunodeficiency virus (HIV) positive patients. Background information for this PMA, including the agenda and questions for the committee, will be available to the public 1 business day before the meeting on the Internet at <http://www.fda.gov/cdrh/panelmtg.html>. The material for this meeting will be posted on March 24, 2004.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person by March 15, 2004. On March 25, 2004, oral presentations from the public will be scheduled for approximately 1 hour at the beginning of committee deliberations and for approximately 1 hour near the end of the committee deliberations. Time allotted for oral public presentations may be limited. Those desiring to make formal oral presentations should notify the contact person before March 15, 2004, and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation.

Persons attending FDA's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Shirley Meeks, Conference Management Staff, at 301-594-1283, ext. 105, at least 7 days in advance of the meeting.

Notice of this meeting is given under the Federal Advisory Committee Act
(5 U.S.C. app. 2).

Dated: 3/1/04
March 1, 2004.

Peter J. Pitts,
Associate Commissioner for External Relations.
