

HELP

IS HERE.

FEMA

More than a year after the tragic events of September 11, there are many people in need of help whose voices have not been heard.

But help is still available from the Federal Emergency Management Agency (FEMA) through the Mortgage and Rental Assistance program.

If you lived or worked in Manhattan on or before September 11, 2001, or were employed by a company economically dependent on companies in Manhattan;

If you lost at least 25% of your total household income after September 11;

If you are unable to pay your rent or mortgage and face eviction or foreclosure because of this loss of income; and

If you or a member of your household is a U.S. citizen, non-citizen national or qualified alien.

We can help. Please call 800-462-9029 to register before January 31, 2002.
