Export Directory of U.S. Food Distribution Companies

A guide to sourcing mixed
containers of food products.

INTERNATIONAL EDITION

AgExport Services Division
<http://www.fas.usda.gov/>

Introduction

The *Export Directory of U.S. Food Distribution Companies* is made available by the AgExport Services Division (AGX) of the Foreign Agricultural Service (FAS), U.S. Department of Agriculture (USDA).

The purpose of the directory is to provide a list of U.S. suppliers of mixed containers of grocery products to potential foreign buyers. The inclusion of a particular company in the directory does not imply USDA's endorsement of the company's products and/or services.

Information for U.S. Suppliers:

If a U.S. supplier would like to be included in future editions of the *Export Directory of U.S. Food Distribution Companies*, please contact:

Anne Almond - (202) 690-2853 – Anne.Almond@fas.usda.gov

or

Jennifer-Claire Klotz - (202) 720-8557 – Claire.Klotz@fas.usda.gov

Recommendations on improving the directory are also welcome.

Information for Buyers:

The *Export Directory of U.S. Food Distribution Companies* is available on line at: <http://www.fas.usda.gov/buying.html>. The Web site also includes additional information on buying U.S. products.

Definitions:

Regions of Interest:

Central and South America includes the Caribbean.

Exporter Description:

Experienced Exporter – The company regularly completes more than 6 export transactions per year. Please note the company may undertake a far greater number than this, however 6 was the threshold to be considered experienced.

New Exporter – This is the company's first year exporting and successfully completed 1-6 export transactions.

Emerging Exporter – The company has not exported but is committed to developing an export market.
