A guide to sourcing mixed  
containers of food products.

---

WESTERN EUROPE EDITION

AgExport Services Division

<http://www.fas.usda.gov/agexport/exporter.html>

## Introduction

The *Export Directory of U.S. Food Distribution Companies* is made available by the AgExport Services Division (AGX) of the Foreign Agricultural Service (FAS), U.S. Department of Agriculture (USDA).

The purpose of the directory is to provide a list of U.S. suppliers of mixed containers of grocery products to potential foreign buyers. The inclusion of a particular company in the directory does not imply USDA's endorsement of the company's products and/or services.

If a U.S. supplier would like to be included in future editions of the *Export Directory of U.S. Food Distribution Companies*, please contact:

Anne Almond - (202) 690-2853 - [AlmondA@usda.gov](mailto:AlmondA@usda.gov)

or

Jennifer-Claire Klotz - (202) 720-8557 - [Klotz@usda.gov](mailto:Klotz@usda.gov)

Recommendations on improving the directory are also welcome.

The *Export Directory of U.S. Food Distribution Companies* is available on line at: <http://www.fas.usda.gov/buying.html>. The Web site also includes additional information on buying U.S. products.
