

**AMENDED SECTION 15**

**IDENTIFICATION OF ALTERNATING STANDING ROUTE ORDER (SRO) TRAFFIC FOR THE SUBMISSION OF ALTERNATING SRO RATE OFFERS**

15-1. IDENTIFICATION OF ALTERNATING STANDING ROUTE ORDER (SRO) TRAFFIC: Listed below are the Federal civilian agencies/locations for which the General Services Administration (GSA) is requesting alternating SROs. Please note that information provided below with regard to “Estimated Annual Tonnage and/or # of Shipments Annually” is provided as an estimate of the traffic volume and shall not be interpreted as a guarantee to the firm that traffic will amount to these quantities. The Government makes no guarantee that these quantities or any quantities will be shipped. Failure of estimates to materialize will not constitute a basis for rate adjustments. Please note a **SEPARATE** rate offer **MUST** be submitted for **EACH** alternating SRO identified for which a firm intends to submit a rate offer. If the origin/destination is a particular city or cities, the accepted rate offer will only be applicable to the identified city or cities and not the entire state in which the city or cities are located. Accepted rate offers will only apply to the specific agency/location identified and not the entire agency. Rates may be, but are not required to be, submitted for all origins/destinations requested. (Please refer to Section 16 for complete formatting instructions).
