

Special Acknowledgements

The Department of Veterans Affairs (VA) would like to offer sincere appreciation to VA Franchise Fund subject matter experts at the Financial Services Center and the Enterprise Fund Office for their attention to financial requirements and robust financial system capabilities. Their diligent efforts and significant contributions were very instrumental in receipt of our **fifth consecutive unqualified “clean” audit opinion**. This accomplishment brings us up to the standards of private industry for fiscal responsibility.

We would also like to acknowledge the **VA Office of Inspector General and Brown & Company, CPAs** for the professional manner in which they conducted the audit of the VA Franchise Fund Consolidated 2002 Financial Statements.

Loleisa Davis, our primary editor, and the six centers (**Austin Automation Center, Debt Management Center, Financial Services Center, Law Enforcement Training Center, Security and Investigations Center and the VA Records Center and Vault**) and one administrative office (**Enterprise Fund Office**) that make up the VA Franchise Fund are also to be commended for their significant contributions to this report.
