I. This part of the module clearly defined the importance of ADRs. 2. I felt this part of the module was a valuable learning experience. 3. Was an appropriate amount of time spent on this topic? -5 -4 -3 -2 -1 0 1 2 3 4 5	PLEASE CHECK ONE:							
This evaluation has divided the learning module into three sections: 1) What is the impact of ADRs on society? 2) Practical application of drug metabolism to predict ADRs and 3) How does reporting ADRs help protect society? Please circle a number for each question as honestly as you can. Comments are the most important part of this evaluation, and are welcomed and greatly appreciated! What is the impact of ADRs on society? 1. This part of the module of 1 2 3 4 5 in part of the module will be part of the module was a valuable learning experience. 2. If left this part of the module was a valuable learning experience. 3. Was an appropriate amount of time spent on this topic? -5 - 4 - 3 - 2 - 1 0 1 2 3 4 5 in module impact of ADRs on health care. 4. This part of the module impact of ADRs on health care. 5. Learning this part of the module impact of ADRs on health care. 5. Learning this part of the module impact of ADRs on health care. 6. Learning this part of the module impact of ADRs on health care. 6. Learning this part of the module impact of ADRs on health care. 7.
