

Recipient: American Academy of Pediatrics (AAP)

Value: \$92,000.00

CFDA # 66.609

Competition: This award was not competed as the grant provides funds for printing of an AAP product, and AAP is the only organization producing the AAP Handbook. The Handbook is a product of the AAP and is owned and copyrighted by the AAP.

Description: Through this assistance agreement, AAP will print and distribute the Second Edition of the Handbook of Pediatric Environmental Health, an evidence-based professional manual for pediatricians, family doctors, public health officers and parents. Funding for this EPA contribution comes from OCHP, OAR, OW, and OPPTS.
