

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

Use Form 7004 to request a 6-month extension of time to file the corporation income tax return. The extension will be granted if the corporation properly completes this form, files it, and pays any balance due on line 6 by the due date for the return for which the extension applies.

### Exceptions

**Foreign corporations.** Foreign corporations that use the automatic 3-month extension of time to file under Regulations section 1.6081-5 (see below) must pay the balance due by the 15th day of the 6th month following the close of the tax year.

**Do not** file Form 7004 if the corporation is requesting a 3-month extension of time to file and to pay under Regulations section 1.6081-5. Instead, attach a statement to the corporation's tax return stating that the corporation qualifies for the extension to file and to pay under Regulations section 1.6081-5 because it is one of the following:

- A foreign corporation that maintains an office or place of business in the United States;
- A domestic corporation that transacts its business and keeps its books and records of account outside the United States and Puerto Rico; or
- A domestic corporation whose principal income is from sources within the possessions of the United States.

However, if the corporation is unable to file its return within the 3-month period extended under Regulations section 1.6081-5, file Form 7004 to request an additional 3-month extension. Foreign corporations that maintain an office or place of business in the United States are not considered taxpayers abroad and therefore may not obtain an extension of time to file beyond 6 months from the original due date of the tax return. See Rev. Rul. 93-85, 1993-2 C.B. 297.

**Form 1120-ND.** Certain filers of Form 1120-ND (nuclear decommissioning funds) must use **Form 2758**, Application for Extension of Time To File Certain Excise, Income, Information, and Other Returns, to request an extension.

### Termination of Extension

The IRS may terminate the automatic extension at any time by mailing a notice of termination to the corporation or to the person who requested the extension. The notice will be mailed at least 10 days before the termination date given in the notice.

### When To File

Generally, Form 7004 must be filed by the due date of the applicable tax return. **Do not** attach Form 7004 to the corporation's tax return.

A foreign corporation that does not have an office or place of business in the United States should file Form 7004 by the 15th day of the 6th month following the close of the tax year.

● Foreign corporations that **do** maintain an office or place of business in the United States pay their tax as described above for domestic corporations.

● Foreign corporations that **do not** maintain an office or place of business in the United States may pay the tax by check or money order, payable to "United States Treasury."

**Note:** On all checks or money orders, write the corporation's employer identification number (EIN), the type of tax, and the tax year to which the payment applies.

### Penalty for Late Payment of Tax

A corporation that does not pay the tax when due generally may be penalized  $\frac{1}{2}$  of 1% of the unpaid tax for each month or part of a month the tax is not paid, up to a maximum of 25% of the unpaid tax. The penalty will not be imposed if the corporation can show that the failure to pay on time was due to reasonable cause.

If the corporation is granted an extension of time to file, it will not be charged a late payment penalty if **(a)** the tax shown on line 3 (or the amount of tax paid by the regular due date of the return) is at least 90% of the tax shown on line 31 of Form 1120 (or the comparable line on other returns) and **(b)** the balance due shown on the return is paid by the extended due date.

## Specific Instructions

**Address.** Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the corporation has a P.O. box, show the box number instead of the street address.

If the corporation's address is outside the United States or its possessions or territories, enter in the space for "city or town, state, and ZIP code," the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

**Line 1a—Extension date.** A foreign corporation with an office or place of business in the United States that uses the automatic extension of time to file, as provided in Regulations section 1.6081-5, can use Form 7004 to obtain an additional 3-month extension. See **Foreign corporations** above.

**Note:** For all filers, the date that is entered on line 1a cannot be later than 6 months from the original due date of the return.

**Line 1b—Short tax year.** If the box for change in accounting period is checked, the corporation must have applied for approval to change its tax year unless certain conditions have been met.

See **Form 1128**, Application To Adopt, Change, or Retain a Tax Year, and **Pub. 538**, Accounting Periods and Methods, for details.

**Line 2—Members of an affiliated group of corporations filing a consolidated return (consolidated group).** Only the common parent of a consolidated group may request an extension of time to file the group's consolidated return. Enter the name and address and EIN for each member of the consolidated group.

Generally, all members of a consolidated group must use the same taxable year as the common parent corporation. If, however, a particular member of a consolidated group is required to file a separate income tax return for a short period and seeks an extension of time to file the return, that member must file a separate Form 7004 for that period. See Regulations section 1.1502-76 for details.

**Caution:** Any member of either a controlled group of corporations or an affiliated group of corporations **not** joining in a consolidated return **must** file a separate Form 7004.

**Note:** Failure to list members of the affiliated group on line 2 may result in the group's inability to elect to file a consolidated return. See Regulations sections 301.9100-1 through 301.9100-3.

**Line 3—Tentative tax.** Enter the tentative amount of total tax for the year, reduced by any nonrefundable credits against the tax. This amount will usually be the tax shown on Form 1120, line 31, or the comparable line of other returns.

**Line 4—Payments and refundable credits.** Enter the payments and refundable credits described on lines 4a through 4f. On line 4b, include special estimated tax payments for certain life insurance companies and beneficiaries of trusts. On line 4f, include any credit for tax on ozone-depleting chemicals under section 4682(g)(2).

**Line 5—Total.** Include any backup withholding in the total for line 5. Describe a "write-in" amount on the dotted line next to the entry space (e.g., for backup withholding, show the amount on the dotted line next to line 5 and write "backup withholding" next to it).

For more information about "write-in" payments and credits, see the Instructions for Forms 1120 and 1120-A, lines 32b through 32h, or the comparable instructions for other applicable forms.

**Line 6—Balance due.** This is the amount of tax the corporation is required to deposit.

**Note:** Except for certain foreign corporations described under **Payment of Tax**, make all deposits with Form 8109 or use EFTPS, if applicable. **Do not** include the corporation's payment with Form 7004.

If the corporation expects to have a net operating loss carryback, the corporation may reduce the amount to be deposited to the extent of the overpayment resulting from the carryback, providing all other prior year tax liabilities have been fully paid and **Form 1138**, Extension of Time for Payment of Taxes by a Corporation Expecting a Net Operating Loss Carryback, is filed with Form 7004.

Interest will be charged on any part of the final tax due not shown on line 6. The interest is figured from the original due date of the return to the date of payment.

For certain domestic and foreign corporations that use the automatic extension of time to file under Regulations section 1.6081-5, interest is figured from the 15th day of the 3rd month following the end of the tax year to the date of payment.

**Signature.** The person authorized by the corporation should sign Form 7004. This person may be:

- An officer of the corporation;
- A duly authorized agent holding a power of attorney;
- A person currently enrolled to practice before the IRS; or
- An attorney or certified public accountant qualified to practice before the IRS.
