

ORGANIZATIONS ASSISTING IN DISASTER RELIEF EFFORTS

The list of organizations that follows represents special relief funds and national Combined Federal Campaign participating charities involved in relief efforts. This listing, which appears in alphabetical order, was compiled by inviting all national CFC organizations to notify us of their involvement. Please note that the list does not include local organizations. For information on local charities involved in disaster relief efforts in Washington, D.C. and in New York, please contact Ms. Beverly Lofton, CFC of the National Capital Area, at (202) 628-2263; or, Ms. Harriet Grayson, CFC of New York City, at (212) 251-4015.

All Federal employees also have the opportunity to contribute to national and local relief efforts through their participation in the Combined Federal Campaign. Employees may designate their payroll deduction or make a cash/check contribution to the organization of their choice.

If employees would like their cash or check contribution to be used for the national/local relief efforts, they may want to designate their contribution to one or more of the organizations listed below. Contributions to these organizations should be made by completing a CFC pledge card and choosing payroll deduction or attaching a check. The local CFC administrative structure will insure that these contributions are forwarded to the organization designated. A listing of all local campaign offices can be found on the OPM website at <http://www.opm.gov/cfc/html/PCFO.htm>.

NOTE: This list will be frequently updated to include additional organizations involved in these efforts.
