<u>N</u> ame:	Office of Foreign Assets Control		<u>C</u> reate in >>

Image of Add Favorite dialogue box

- 3. Check the "make available offline" box.
- 4. Click the "customize" button.
- 5. Scroll through the customization wizard by clicking next until you reach a screen that says, "How would you like to synchronize this page?" Click on "I would like to create a new schedule," and then click the "next" key.

6. The next page will allow you to create a schedule that works for you.

7. While OFAC does not require you to have a password to access its site, you may need to enter a password and login at the next screen if you use a firewall or proxy server to access the Internet. If you are not sure about this option, please check with your systems administrator.
