CHILD CARE AND DEVELOPMENT FUND PROGRAM INSTRUCTION

To	Tribal Lead Agencies administering CCDF child care programs under the Child Care and Development Block grant (CCDBG) ACT of 1990 as amended, and other interested parties.
Purpose	To inform Tribes and Tribal Organizations of the process for obtaining fiscal year (FY) 1999 CCDF Tribal Mandatory and Discretionary Funds.
References	Section 418 of the Social Security Act; The Child Care and Development Block Grant Act of 1990 as amended. 45 CFR Parts 98 and 99.
Background	Federal regulations at 45 CFR 98.81 require Tribal Lead Agencies to apply for CCDF funds. For years in which the Tribal Lead Agency submits a biennial CCDF Plan, the Plan itself serves as the application. However, in non-Plan years, the Tribal Lead Agency must apply for funds by submitting specified Plan amendments in accordance with the guidance in this Program Instruction.

Process to Apply for FY 1999 CCDF Tribal Mandatory and Discretionary Funds:

New Tribal Applicants. Tribes that did not receive FY 1998 CCDF funds must submit an entire CCDF biennial Plan. To obtain a copy of the Plan preprint, contact your ACF Regional Office (Attachment D).

Current Tribal CCDF Grantees. Tribal Lead Agencies that received FY 1998 CCDF funds must submit Plan amendments to specified items in the Tribal Lead Agency's approved CCDF Plan. These items are: 1.1, 1.8 and 1.9. The Plan preprint pages containing these items are included as Attachment B to this Program Instruction. Attachment A provides guidance for completing these items.

By applying for FY 1999 CCDF funds, the Tribal Lead Agency agrees to follow the provisions of the Child Care and Development Block Grant Act of 1990, as amended, and applicable regulations at 45 CFR Parts 98 and 99.

On July 23, 1997, the Administration for Children and Families (ACF) published a proposed rule (at 62 FR 39610) with amendments to the CCDF regulations. If final regulations are published prior to October 1, 1998, as anticipated, the requirements in these new regulations will apply to FY 1999 CCDF funds.

By applying for FY 1999 CCDF funds, a **current** tribal CCDF grantee continues to be subject to the assurances and certifications provided in the CCDF Plan for FY 1998 -1999 for the remainder of the Plan period. A **new** tribal applicant must include required assurances and certifications as part of its CCDF Plan submittal.

Eligibility	<p>A Tribe is eligible to receive CCDF funds if the Tribe is federally recognized and the tribal population includes at least 50 children under age 13 (or such similar age, as determined by the Secretary from the best available data).</p> <p>A Tribe with fewer than 50 children under age 13 may participate in a consortium of eligible Tribes. In order to be eligible to receive CCDF funds on behalf of its member Tribes, a consortium must:</p> <ul style="list-style-type: none">• Consist of Tribes which meet the eligibility requirements for the CCDF program or which
-------------	---

would meet the eligibility requirements if the Tribe or tribal organization had at least 50 children under age 13; and

- Adequately demonstrate it has authorization from each participating Tribe to receive CCDF funds on behalf of the Tribe for the duration of the Plan period. Instructions for demonstrating authorization is provided in Attachment A, Item 1.8.

Special Rule for Indian Tribes in Alaska:

Only specified Alaska Native entities may receive Tribal Mandatory Funds. The Metlakatla Indian Community of the Annette Islands Reserve and the following Alaska Native regional nonprofit corporations are eligible to receive Tribal Mandatory Funds:

- Arctic Slope Native Association;
- Kawerak, Inc.;
- Maniilaq Association;
- Association of Village Council Presidents;
- Tanana Chiefs Conference;
- Cook Inlet Tribal Council;
- Bristol Bay Native Association;
- Aleutian and Pribilof Island Association;
- Chugachmuit;
- Tlingit and Haida Central Council;
- Kodiak Area Native Association; and
- Copper River Native Association.

Funding
Estimates and
Allocation
Formulas

ACF estimates the following amounts will be available for tribal and Allocation grantees on October 1, 1998 (FY 1999): \$20,000,000 in Formulas Discretionary Funds and \$43,340,000 in Tribal Mandatory Funds.

Grants from Discretionary Funds will include a base amount of \$20,000 plus a per child amount (approximately \$19 per child in FY 1998) for each Tribe or tribal consortium with a minimum of 50 children. Grants from Tribal Mandatory Funds are calculated solely on a per-child basis (approximately \$81 per child in FY 1998) and do not include a base amount.

Since the per-child amount for both Discretionary and Tribal Mandatory Funds depends upon the total number of children in all participating Tribes, ACF cannot calculate in advance the exact per-child amount. However, Tribes and tribal organizations may use the FY 1999 Tribal Estimates Chart (See Attachment C) as a guide. A new applicant should use the base amount plus approximately \$19 per child to estimate its allotment for Discretionary funding, and should use approximately \$81 per child to estimate its allotment for Tribal Mandatory funding.

A tribal consortium should estimate its allotment for Discretionary funding for each of its members by calculating a portion of the base amount that is equivalent to the ratio of the number of children in each member Tribe to 50, plus the additional per child amount. For example, a Tribe with 49 children is allotted 49/50ths of \$20,000, or \$19,600. The per child amount is then multiplied by 49 and added to the \$19,600 base amount.

Important: These amounts are provided for the purpose of estimating the allotments that will become available on October 1, 1998 and may increase or decrease when updated data become available before the final grant awards are issued.

Obligation and
Liquidation
Periods

For FY 1999 Tribal Mandatory and Discretionary CCDF Funds, Tribal Lead Agencies must obligate all funds by September 30, 2000 and liquidate all funds by September 30, 2001.

Effective Dates

This Program Instruction is effective on issuance. Plans and Plan amendments required for FY 1999 CCDF funding must be received by ACF no later than July 1, 1998.

Electronic format

To assist Lead Agencies, the Plan preprint is available in word processing format (WordPerfect®, version 5.1) from their ACF Regional Office.

Public Law 102-

The CCDF is one of the programs that can be consolidated under P.L. 102-477. The instructions contained in this Program Instruction do not apply to those Tribes and tribal organizations that apply to have CCDF funds consolidated under P.L. 102-477. A separate Program Instruction containing 102-477 requirements for CCDF will be issued simultaneously and mailed with this Program Instruction.

**GUIDANCE FOR SUBMITTING PLAN AMENDMENTS
REQUIRED TO APPLY FOR FISCAL YEAR 1999 CCDF FUNDS**

These instructions only apply to Tribal Lead Agencies that received FY 1998 CCDF funds. Tribes that did not receive FY 1998 funds must submit an entire CCDF Plan.

To receive FY 1999 CCDF funds, a Tribal Lead Agency that received FY 1998 funds must submit Plan amendments to items 1.1, 1.8, and 1.9 of its approved biennial CCDF Plan. Plan preprint pages containing these items are in Attachment B.

On these pages, Tribal Lead Agencies must:

<u>Complete Items :</u>	<u>Leave Blank Items :</u>
1.1	1.2
1.8	1.3
1.9	1.4
	1.5
	1.6
	1.7

The Tribal Lead Agency must also submit a photocopy of the Amendments Log page (contained in the Lead Agency's approved CCDF Plan) completed in accordance with the instructions contained on the Log page.

In addition to submitting amendments to the items specified above, the Tribal Lead Agency may use this opportunity to submit any other necessary Plan amendments to reflect substantive CCDF program changes in accordance with 45 CFR 98.16(b) and the instructions on the Amendments Log page. These additional Plan amendments may be submitted at any time.

Identifying
Information

The applicant should enter the name of the Tribe on the line designated "Plan For" and should enter the name of the Tribal Lead Agency on the line labeled "Name of Lead Agency" (at Attachment B).

Tribal grantees must name a Lead Agency to administer the CCDF. If a tribal grantee applies for both Tribal Mandatory Funds and Discretionary funds, the programs must be integrated and administered by the same Lead Agency.

Tribal Consortia. If a Tribe participating in a consortium arrangement elects to receive only part of the CCDF (e.g., Discretionary Funds), it may not join a different consortium to receive the other part of the CCDF (Tribal Mandatory Funds), or apply as a direct grantee to receive the other part of the fund. Individual tribal consortium members must remain with the consortium they have selected for the fiscal year in which they are receiving any part of CCDF funds. (However, an Alaska Native village that must receive Tribal Mandatory Funds indirectly through an Alaska Native Regional Nonprofit Corporation may still apply directly for Discretionary Funds).

Item 1.1

In item 1.1 the Lead Agency requests CCDF funds to be awarded in FY 1999 (on October 1, 1998). This amount includes funds that will be available for CCDF child care services and related activities from the Federal CCDF, i.e., the Discretionary Fund and Tribal Mandatory Fund (including the base amount and any CCDF funds used for administration, quality and construction and renovation activities). This estimate should not include any funds awarded in previous fiscal years.

Important: Estimated allotments are provided for planning purposes and may

increase or decrease when updated data become available before the final grant awards are issued.

Item 1.8

A tribal consortium must provide a list of its participating Tribes as an attachment to item 1.8. Alternatively, if the consortium's membership has not changed since the list provided in the current approved CCDF Plan, the Lead Agency may simply write "No Change" next to item 1.8.

In addition, a tribal consortium must include as an attachment to item 1.8 demonstrations from any new members that were not provided in the preceding fiscal year as part of an approved CCDF Plan. The consortium need not provide a demonstration for any Tribe where a demonstration was provided in the preceding year as part of the CCDF Plan. (In a year in which a tribal consortium's biennial CCDF Plan is due, however, the consortium must provide a demonstration for every member).

It is the responsibility of a tribal consortium to notify ACF, in writing, of any changes in its consortium membership for purposes of CCDF funding during the approved Plan period. For Alaska Native Regional Nonprofit Corporations, the list and demonstrations are required for Discretionary Funds only.

() No.

() Yes. The non-governmental entities are: (list each)

1.7) Describe:

- the operational aspects of administering and implementing the program through such entities (listed in 1.5 and 1.6), and

* Please note that the amount of the additional appropriated funds is less than the amount Congress earmarked (i.e., required) to be spent on the specified activities. Therefore, Tribal Lead Agencies will need to reassess the funding of current activities in order to meet the required level of spending for resource and referral and school-age care activities.
