

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION**  
**Office of Vehicle Safety Compliance**  
**COMPLIANCE STATUS REPORT**  
**REPORT DATE: MARCH 15, 2004**

The following definitions are essential to the interpretation of the report:

**INVESTIGATIONS —**

CT (Compliance Test) — Investigations initiated based on the results of scheduled compliance test programs.

CI Number — OVSC Compliance Investigation Number (such as "**CI-208-020320**")

The CI number identifies FMVSS 208 with a test failure date of March 20, 2002. A compliance investigation is established when there is a reasonable expectation that a noncompliance may exist.

PE Number — OVSC Preliminary Evaluation Number (such as "**PE-214-020320**")

The PE number identifies FMVSS 214 with a test failure date, inspection date, complaint date, etc., of March 20, 2002. A preliminary evaluation action is taken to gather additional information in cases where there is only a possibility of a noncompliance.

The following types of investigations initiated as a result of information obtained from sources other than scheduled compliance test programs such as consumer complaints, industry disclosures, articles in the news media, etc:

IN (Inspection)	CP (Complaint)	MD (Manufacturer Defect)
ID (Part 574)	MI (Manufacturer Inquiry)	

**COMPLIANCE TESTING —**

TEST PROGRAM — Tests conducted in accordance with scheduled compliance test programs

RETEST — Retesting of items that have initially failed during a scheduled compliance test program

RESPONSIVE — Not a part of a scheduled compliance test program but consists of special testing, consumer complaint testing, etc.

**COMPLIANCE TESTING LEGEND —**

The following identifiers are used:

**STD** - Federal Motor Vehicle Safety Standard (FMVSS) or Regulation (i.e., Part 575, Part 567)

**LAB** - Testing laboratory under contract to OVSC

**GRP** - Test report group number. The following identifiers are found in the last character of the GRP number for those tests other than SCHEDULED compliance tests: R – Retest, T - Response test

SPECIAL CASES: FMVSS 109 - S=Test Program, R=Retest, C=Responsive  
FMVSS 119 - A=Test Program, B=Retest, C=Responsive

**US MFR/US DISTRIBUTOR** - Manufacturer or distributor of motor vehicle or equipment item

**MAKE** - Make of motor vehicle or equipment item

**MODEL** - Information for motor vehicle or equipment item

**STYLE/COMPONENT** - Information for motor vehicle or equipment item

**IDENTIFICATION NUMBER** - Tire identification number

**MY** - Motor vehicle model year

**HS NO.** - Test report number used by the NHTSA Technical Information Services for identification purposes

**RESULT** - Test results (PASS or FAIL)

FAIL - P: performance failure  
FAIL - I: inspection failure  
FAIL - L: labeling or instruction failure
