

Resources About Hearing Loss, Cochlear Implants, and Meningitis

The following table includes website addresses, contact information, and brief descriptions for organizations, agencies, and corporations that provide information related to hearing loss, cochlear implants, or meningitis. Websites of the U.S. government are indicated by the phrase "**(Federal Website)**" after the name of the agency. Each entry is organized into one or more of the following 13 categories:

- Cochlear Implant-Meningitis Study
- Meningitis
- Vaccine Information
- Cochlear Implant Manufacturers
- Corporate and Industry Sponsored Websites
- Information About Cochlear Implants
- Hearing Loss Information
- Hearing Loss Resources and Services
- State Resources
- Family Support
- Professional Organizations
- Spanish Resources
- State Health Departments

DISCLAIMER: Information about organizations outside of Centers for Disease Control and Prevention (CDC) is included for information purposes only. CDC has no control over the information at these sites. Views and opinions of these organizations are not necessarily those of CDC, the U.S. Department of Health and Human Services (HHS), or the U.S. Public Health Service (PHS). Also, please note that this list is not complete. There could be others organizations and agencies not listed here that can also provide helpful information.

Telephone English: 800-232-2522 Spanish: 800-232-0233
Hours of Operation: Monday – Friday 8 a.m. – 11 p.m. EST

TTY: 800-243-7889 (Available Monday – Friday, 8 a.m. – 11 p.m. EST)

You can also check CDC's website for the full text article at:

Hearing Loss Resources and Services

Hands and Voices

Resource guide that provides information about resources for the deaf and hard of hearing, including services and resources available to families and professionals.
Family Voices National Office
Phone: 800-422-0422
Fax: 505-872-4780
www.handsandvoices.org/resource_guide/01_intro.html
E-mail: kidshealth@familyvoices.org

John Tracy Clinic

Provides services to children with hearing loss without charge. Services include audiological testing, parent and infant programs, parent classes, a preschool, and a correspondence course that includes information about cochlear implants and auditory development.
General Information
Phone: 800-522-4582
www.jtc.org/index.htm
Information available in Spanish www.jtc.org/Spanish/spindex.htm
Audiological Services
Barbara Hecht,
E-mail: bhecht@johntracyclinic.org

Sky-HI Institute, Utah State University

Provides information related to the needs of children aged birth through 5 years of age with hearing loss.
SKI-HI Institute
Utah State University
Phone: 435-797-5600
TTY: 435-797-5584
coe.ed.usu.edu/skihi/index.html
E-mail: skihi@cc.usu.edu

State Resources

Laurent Clerc National Deaf Education Center (at Gallaudet University)

Provides information about services available for deaf and hard of hearing children in each state.
Laurent Clerc National Deaf Education Center
Gallaudet University
clerccenter.gallaudet.edu/InfoToGo/600.html
For general issues related to deafness, contact:
Anita Gilbert
Phone: 202-651-5051
E-mail: clearinghouse.infotogo@gallaudet.edu

National Center for Hearing Assessment and Management (NCHAM)

Provides information about contacts and resources related to hearing loss available in each state.
NCHAM
Utah State University
Phone: 435-797-3584
www.infantheating.org/states/
E-mail: mail@infantheating.org

National Information Center for Children and Youth with Disabilities (NICHCY)

Provides a list of disability-related resources in each state. These lists include contact information about state agencies that serve children and youth with disabilities, parent training and information projects, and state chapters of disability organizations and parent groups.
NICHCY
Phone / TTY: 800-695-0285
Fax: 202-884-8441
www.nichcy.org/states.htm
E-mail: nichcy@aed.org

Family Support

AG Bell

An international membership organization and resource center that offers members a wide range of programs and services and provides information on a vast array of issues pertaining to hearing loss to all inquirers.
AG Bell
Phone: 202-337-5220
TTY: 202-337-5221
Fax: 202-337-8314
www.agbell.org

American Society for Deaf Children (ASDC)

A national organization of families and professionals that supports parents and families to help create opportunities for children who are deaf and hard of hearing to gain full communication access, particularly through the use of sign language.

ASDC Headquarters
Hotline: 800-942-2732
Phone/TTY: 717-334-7922
Fax: 717-334-8808
www.deafchildren.org
E-mail: asdc@deafchildren.org

Boys Town National Research Hospital

Provides information about how some parents have responded to their child's hearing loss and the things that helped them cope with it.

Boys Town National Research Hospital
www.babyhearing.org/Parent2Parent/index.asp

Family Voices

A national, grassroots organization that is a clearinghouse for education and information concerning the health care of children with special health needs.

FamilyVoices National Office
Phone: 1-888-835-5669
Fax: (505) 872-4780
www.familyvoices.org
E-mail: kidshealth@familyvoices.org

Hands & Voices

Hands & Voices is a non-profit, is a parent driven organization that provides support to families with children who are deaf or hard of hearing.

Families For Hands and Voices
Phone: 866-422-0422
www.handsandvoices.org
E-mail: parentadvocate@handsandvoices.org

Professional Organizations

American Academy of Audiology (AAA)

Provides consumer and professional resources related to hearing care.

American Academy of Audiology
Phone: 800-AAA-2336
Fax: 703-790-8631
www.audiology.org

American Academy of Otolaryngology-Head and Neck Surgery (AAO-HNS)

Provides health tips and information related to hearing disorders.

American Academy of Otolaryngology-Head and Neck Surgery
Phone: (703) 836-4444
www.entnet.org
E-mail: webmaster@entnet.org

American Academy of Pediatrics (AAP)

Provides information, alerts, and resources related to the physical, mental, and social health of infants, children, adolescents, and young adults.

The American Academy of Pediatrics
Phone: (847) 434-4000
www.aap.org

American Speech-Language-Hearing Association (ASHA) Newborn & Infant Hearing Screening Action Center

Provides information on newborn hearing screening guidelines and current legislation.

American Speech-Language-Hearing Association
Phone: (800) 638-8255
www.asha.org
E-mail: actioncenter@asha.org

Spanish Resources

American Academy of Audiology (AAA)

Provides of list audiology terms translated into Spanish.

American Academy of Audiology
Phone: 800-AAA-2336
Fax: 703-790-8631
www.audiology.org/professional/codie/spenterms.php

American Speech-Language-Hearing Association (ASHA) Newborn & Infant Hearing Screening Action Center

ASHA website provides two Spanish-language brochures entitled "Ayudando al Bebé en el Desarrollo del Lenguaje para Facilitar el Aprendizaje y la Interacción" ("Newborn Hearing Screening: Helping Babies Develop Language for Learning and Interaction") and "Qué Tal Habla y Oye su Niño?" ("How Does Your Child Hear and Talk?"). These brochures provide information about communication disorders in children and are available free of charge to consumers.

www.asha.org/press/Folletos-En-Espanol.cfm
Phone: 301-897-0156

American Academy of Otolaryngology-Head and Neck Surgery (AAO-HNS)

Provides health tips and information related to hearing disorders in Spanish.

American Academy of Otolaryngology-Head and Neck Surgery
Phone: 703-836-4444
www.entnet.org/healthinfo/espanol/index.cfm
E-mail: webmaster@entnet.org

Cochlear Implant Association, Inc (CAIA)

A nonprofit organization that provides support, information, and access to local support groups for adults and children who have cochlear implants, or who are interested in learning about cochlear implants.

Cochlear Implant Association, Inc.

Phone: 202-895-2781
