

**MEMORANDUM TO MEMBERS OF THE NATIONAL SCIENCE BOARD**

SUBJECT: FY 2000 Report on the NSF Merit Review System

The enclosed *FY 2000 Report on the NSF Merit Review System* is submitted in accordance with National Science Board policy endorsed in March, 1977, and amended in March, 1984, which requests that the Director provide to the Board an annual report on the Foundation's proposal review system.

Among other things, the report provides FY 2000 summary information concerning:

- proposals, awards, and funding rates;
- methods used to obtain proposal reviews;
- characteristics of proposers, reviewers and program officers;
- Small Grants for Exploratory Research (SGER);
- Committee of Visitors (COV) program reviews; and
- Government Performance and Results Act (GPRA).

I trust you will find the report informative.

Rita R. Colwell  
Director
