Letter of Transmittal . . . . .	II
The Chairman's Foreword . . . . .	VII
The Director's Statement . . . . .	XI
REAPPRAISAL AND REORGANIZATION—THE STATUS OF SCIENCE IN THE UNITED STATES, 1958-59 . . . . .	3
The Federal Government and Science Policy . . . . .	3
The President's Science Advisory Committee . . . . .	4
Federal Council for Science and Technology . . . . .	7
Increased NSF Responsibilities . . . . .	8
Other Changes in Government Organization for Science . .	10
Proposals To Alter the Federal Science Structure . . . . .	10
Establishment of a Department of Science . . . . .	10
Calls From the Scientific Community for Increased Efforts in	
Critical Scientific Areas . . . . .	12
Medical Research . . . . .	12
Oceanographic Research . . . . .	13
Atmospheric Research . . . . .	14
High Energy Physics . . . . .	15
Changing Role of the National Science Foundation in Federal Science Organization . . . . .	16
A PHOTOGRAPHIC SAMPLING OF FOUNDATION-SUPPORTED ACTIVITIES .	19
PROGRAM ACTIVITIES OF THE NATIONAL SCIENCE FOUNDATION . . .	33
Support of Basic Research in the Sciences . . . . .	35
Research Programs . . . . .	35
Division of Biological and Medical Sciences . . . . .	35
Current Research Support . . . . .	35
Facilities for Research in the Biological and Medical Sciences . . . . .	38
Division of Mathematical, Physical and Engineering Sciences . . . . .	39
Current Research Support . . . . .	39
The National Observatories . . . . .	42
Facilities for Research in the Mathematical, Physi- cal, and Engineering Sciences . . . . .	44
Office of Social Sciences . . . . .	44
Current Research Support . . . . .	45
Office of Special International Programs—Antarctic Research Program . . . . .	46
Current Research Support . . . . .	46

Support of Basic Research in the Sciences—Continued	
Significant Research Developments . . . . .	46
Research-Related Activities . . . . .	57
Scientific Conferences and Symposia . . . . .	57
Support of Travel to International Meetings . . . . .	61
Training Aspects of Research Grants . . . . .	61
Fiscal Analysis of Research Programs . . . . .	61
Training and Education in the Sciences . . . . .	64
Fellowship Programs . . . . .	69
Graduate Fellowships (Predoctoral) . . . . .	69
Postdoctoral Fellowships . . . . .	70
Senior Postdoctoral Fellowships . . . . .	70
Science Faculty Fellowships . . . . .	70
Summer Fellowships for Secondary School Teachers of Science and Mathematics . . . . .	71
Summer Fellowships for Graduate Teaching Assistants . . . . .	71
Cooperative Graduate Fellowships . . . . .	71
NATO Science Fellowships . . . . .	72
Institute Programs . . . . .	72
Summer Institutes . . . . .	73
Academic Year Institutes . . . . .	75
In-Service Institutes . . . . .	75
Special Projects in Science Education . . . . .	76
Secondary School Programs . . . . .	76
College Programs and Teacher Improvement Programs . . . . .	79
International Science Education Programs . . . . .	80
Course Content Improvement Program . . . . .	82
Course Content Studies and Development . . . . .	82
Supplementary Teaching Aids . . . . .	84
Scientific Manpower Program . . . . .	85
The National Register of Scientific and Technical Personnel . . . . .	85
Scientific Manpower Studies . . . . .	86
Exchange of Scientific Information . . . . .	92
Documentation Research . . . . .	93
Studies of Scientists' Information Requirements . . . . .	94
Research on Information Storage and Retrieval . . . . .	95
Mechanical Translation . . . . .	95
Research Information Center and Advisory Service on Information Processing . . . . .	96
Research Conferences . . . . .	96
Foreign Science Information . . . . .	96
Translation of Russian Scientific Documents . . . . .	97
Translation Centers . . . . .	97

APPENDICES

A. National Science Board, Staff, Committees, and Advisory Panels . . . . .	123
B. Financial Report for Fiscal Year 1959 . . . . .	134
C. Grants for Basic Research . . . . .	136
D. Grants for Other Than Basic Research . . . . .	184
E. Grants for the International Geophysical Year Program . . . . .	223
F. Fellowship Awards . . . . .	226
G. Publications . . . . .	274
