FROM: Executive Secretary, ACIP

SUBJECT: Request for the Advisory Committee on Immunization Practices Nominations

TO: ACIP Members, Ex Officios, and Liaison Representatives  
Director, National Center for HIV, STD, and TB Prevention  
Director, National Immunization Program  
Director, National Center for Infectious Diseases  
Vaccine Manufacturers

I am soliciting proposals for nominees for three vacancies on the Advisory Committee on Immunization Practices which will occur June 30, 2002. The positions being vacated are presently held by Dr. Paul Offit, Dr. Margaret Rennels, and Dr. Bonnie Word. A nominee must be submitted to the Department Committee Management Officer for each vacancy.

Selection of members will be based on their qualifications to contribute to the accomplishments of the committee's objectives. Department policy provides that committee membership will be fairly balanced in terms of points of view represented and the committee's function. Consideration should be given to a broad representation of geographic areas, females, ethnic and minority groups and the handicapped. Nominees must also be U.S. citizens.

A Professional Area Breakdown of current members for ACIP is attached. Please submit your suggestions for nomination to the Committee, along with a curriculum vitae, by September 1 to Gloria Kovach, Centers for Disease Control and Prevention, Mail Stop E-61, Atlanta, Georgia 30333. I can be contacted at (404)639-7240, or you may contact Gloria Kovach at (404)639-8096 (FAX: 404-639-8520), if you have any questions.

Please share this request with anyone who may be interested in nominating an individual to serve as a member on the Committee.

Dixie E. Snider, Jr., M.D., M.P.H.  
Assistant Surgeon General
