## **US EPA Extranet Virtual Meeting Server**

**Ozone and PM 2.5 Designations** 

## **"TEST" and "LIVE" Meeting Login Instructions:**

These instuctions will allow you to access the "<u>Ozone and PM 2.5 Designations</u>" meetings in "<u>TEST</u>" and "<u>LIVE</u>" mode. We <u>highly recommend</u> that you attempt to access the "<u>TEST</u>" meeting before attending the "<u>LIVE</u>" meeting.

1.	Open Internet Explorer 🥥 Internet Explorer and type the address Address 🙆 https://epastx.epa.gov and press Enter .
0	Note: If the Security Alert Security Alert window appears, press Yes Yes to proceed.
2.	Type your (Firstname LastName) in the <b>Username</b> field Hint: ( <u>Use the the name provided in the registration email</u> ).
	Type your password in the <b>Password</b> field <b>Password</b> .
	Press the Login button Login to access the meeting site.
	<b>Note</b> : If you have problems with the login process, please send an email describing your problem to <u>notes-national@epa.gov</u> .
3.	On the left side of the screen, click Attend a Meeting • <u>Attend a</u> <u>Meeting</u>
4.	For the <b>TEST</b> meeting click, <b>TEST - Ozone and PM 2.5 Designations.</b> For the <b>LIVE</b> meeting click, <b>LIVE - Ozone and PM 2.5 Designations.</b>
5.	When the pop-up box appears that asks you: "Do you want to install and run the SameTime JNI Meeting installed on 11/28/2001 and 5:10PM" distributed by Lotus Development Corporation"
	Place a checkmark in the box that says: "Always trust content from Lotus Development Corporation"
	and press the <b>Yes</b> button <u>Yes</u> to continue.
6.	In the pop-up window, " <b>Enter the meeting password</b> " type " <b>oaqps</b> " and press the <b>OK</b> butto ( <b>Note:</b> The password is the same for both the test and live meeting.)
"	<b>TEST</b> " meeting: You should see a large green checkmark, if you don't see a green checkmark, contact <u>notes-national@epa.gov</u> .
"]	<u>LIVE</u> " meeting: You should see: "Welcome to the OAQPS Ozone and PM 2.5 Designations" in the left window, if not, contact notes-national@epa.gov.
