

**Meeting of the Basic Energy Sciences Advisory Committee  
August 10-11, 1999  
Gaithersburg Marriott Washingtonian Center**

**AGENDA**

Tuesday, August 10, 1999		
8:00am - 8:15am	Coffee	
8:15am - 8:30am	Introductions	Geraldine Richmond, BESAC Chair
8:30am - 9:30am	Comments from the Director Office of Science	Martha Krebs, Director, Office of Science
9:30am - 10:30am	Report of the Workshop on Complex Systems	Charles Shank, Director, Lawrence Berkeley National Laboratory
10:30am - 11:00am	Break	
11:00am - 11:30am	Security Issues at the DOE Laboratories	Bill Nay, Office of Science
11:30am - 1:00pm	Lunch	
1:00pm - 2:00pm	Comments from the Director Office of Basic Energy Sciences	Patricia Dehmer, Director, Office of Basic Energy Sciences
2:00pm - 3:00pm	Review of the Basic Energy Sciences Advisory Committee "Where We've Been and Where We're Going"	Geraldine Richmond
3:00pm - 3:30pm	Break	
3:30pm - 4:30pm	Report from the Director of the Advanced Light Source	Daniel Chemla, Lawrence Berkeley National Laboratory
4:30pm - 5:00pm	Neutrons - Past, Present and Future	Iran Thomas, Deputy Director, Office of Basic Energy Sciences
5:00pm - 5:15pm	Public Comment	
5:15pm	Adjourn	
Wednesday, August 11, 1999		
8:00am - 8:15am	Coffee	
8:15am - 9:15am	Report on the Spallation Neutron Source	David Moncton, Executive Director, Spallation Neutron Source
9:15am - 9:45am	Nanoscale Research Directions	Douglas Lowndes, Oak Ridge National Laboratory
9:45am - 10:15am	Council Panel Workshop Report / Material Sciences and Geosciences	Paul Alivisatos, University of California, Berkeley
10:15am - 10:45am	Break	
10:45am - 11:15am	Council Panel Workshop Report / Chemical Sciences	Tony Cheetham, University of California, Santa Barbara
11:15am - 11:45pm	Review of E-Beam Centers	John Stringer, EPRI
11:45pm - 12:00pm	Public Comments	
12:00pm	Adjourn
