

Medicare Contracts with Prepaid Organizations

Type of Contract	Number of Contracts	Number of Enrollees	Payment FY 2003 to date in millions
Total Prepaid Organizations	270	5,304,299	\$33,281.7
Medicare+Choice Programs	150	4,622,154	30,284.2
TEFRA Cost (Cost 1, Cost 2, Cost C)	30	335,114	874.4
Demonstrations and/or PPOs	54	218,319	1,811.3
HCPPs Part B (Health Care Prepayment Plans)	15	102,215	152.9
PFFS	4	23,555	123.9
PACE	17	2,942	35.0

NOTES: The Balanced Budget Act of 1997 changed the requirements regarding effective dates of coverage. As a result, the numbers do not include beneficiaries who changed enrollment status in the latter part of each month. Therefore, the total number of enrollees is understated. This understatement will continue for all future months until the report modifications have been completed. As of August 1, 2003.
