**Place this card in an envelope along with your
payment and mail to:**

Your \$60 subscription includes:

- Semi-annual installments of recommendations (through 2004)
- Two three-ring binders to collect and store installments
- Cumulative index with each installment
- Task Force recommendations on CD-ROM: cumulative update included with each installment

This 2-volume publication and CD-ROM allows you to reference:

- Recommendation statements
- Summaries of evidence for each recommendation
- Task Force background, history, and methods

Visit <http://www.preventiveservices.ahrq.gov/> for a complete listing of the new and updated Task Force recommendations.

* The U.S. Preventive Services Task Force is an independent panel of experts in primary care and prevention that systematically reviews the evidence and effectiveness of and develops recommendations for clinical preventive services.

Are you interested in the most current evidence-based recommendations from the U.S. Preventive Services Task Force?

Subscribe now to the *Guide to Clinical Preventive Services, Third Edition: Periodic Updates* notebook and receive semi-annual installments of new and updated Task Force recommendations.* Clinical categories addressed in the *Third Edition* include:

- **Cancer**
- **Heart and Vascular Diseases**
- **Injury and Violence-Related Disorders**
- **Infectious Diseases**
- **Mental Disorders and Substance Abuse**
- **Metabolic, Nutritional, and Endocrine Disorders**
- **Musculoskeletal Disorders**
- **Pediatric Disorders**
- **Vision and Hearing Disorders**

* The *Guide to Clinical Preventive Services, Third Edition: Periodic Updates* includes updated recommendations from the 1996 *Guide to Clinical Preventive Services, Second Edition*, as well as new topics not addressed in the *Second Edition*.

To subscribe: Call the AHRQ Clearinghouse at 1-800-358-9295 or e-mail: ahrqpubs@ahrq.gov, or mail this card with your subscription payment of \$60 (check or purchase order) to AHRQ Clearinghouse, P.O. Box 8547, Silver Spring, MD 20907. Make checks payable to Put Prevention Into Practice.
