Subject: OMB's proposed revisions to Circular A-76

I am trying to locate a clean version of OMB's proposed revisions to Circular A-76. Whenever I locate the document, I can not seem to get beyond the 2nd out of 62 pages. Can you please send me a softcopy of the proposed revisions to Circular A-76 or provide me the website where I may download this document.

I appreciate any help in dealing with this issue.

Thanks,

You can access the proposed revisions at: <http://www.whitehouse.gov/omb/circulars/index.html>.
Scroll to the bottom of the A-76 material and you will find the 11/14 draft.
