Chapter VI, Part B CWF Claims Processing. This chapter is being deleted and the related instructions are issued in the Medicare Claims Processing Manual. The table of contents is replaced with a crosswalk from the old Part 3 to the related instruction in the Internet-only manual (IOM). If the material from MCM, Part 3, is no longer applicable, we indicate that it was not moved to the IOM by entering “deleted” in the crosswalk. For each included cross-reference, we provide the old manual number and the IOM manual number (e.g., 100-4 for Medicare Claims Processing Manual), and the IOM chapter and the section (§) numbers.

The Internet-only manual can be found at <http://www.cms.hhs.gov/manuals>

These instructions should be implemented within your current operating budget.
