## CHANGE REQUEST 1235

This Program Memorandum revises Program Memorandum A-00-38, Change Request 1235, dated July 13, 2000. The revision changes the routine home care wage component amount.

**SUBJECT: Change in Hospice Payment Rates, Update to the Hospice Cap, Revised Hospice Wage Index and Hospice Pricer**

Section 1814(i)(1)(C)(ii) of the Act provides an annual increase in the payment rates for hospice care services.

Hospice payment rates for care and services furnished on or after October 1, 2000 through September 30, 2001 are increased to the following amounts. Fiscal year (FY) 2001 hospice payment rates reflect amendments made to §1814(i)(1)(C)(ii) of the Act by §4441 of the Balanced Budget Act of 1997 and by §131 of the Balanced Budget Refinement Act of 1999. Use the "From" date on the bill to determine the effective date. Payments for hospice physician services are not affected by this provision. The hospice rates applicable to the above period are:

Revenue Code	Description	Rate	Wage Component Subject to Index	Unweighted Amount
651	Routine Home Care	\$101.84	\$ 69.97	\$ 31.87
652	Continuous Home Care full rate = 24 hours of care/\$24.77 hourly rate	\$594.41	\$408.42	\$185.99
655	Inpatient Respite Care	\$105.35	\$ 57.03	\$ 48.32
656	General Inpatient Care	\$453.04	\$289.99	\$163.05

Allow the provider to split bills if they span the effective date. Use FY 2000 rates if the provider chooses not to split the bill.

Section 1814(i)(2)(B) of the Act provides an annual increase (or decrease) in the hospice cap amount. The latest hospice cap amount for the cap year ending October 31, 2000 is \$15,916.98.

The notice announcing the FY 2001 hospice wage index **was** published in the *Federal Register* on **October 6, 2000**. The revised wage index and rates **has been** incorporated in the hospice pricer which **was** forwarded to the intermediaries following publication of the notice.
