VistA Office EHR

CAPT Cynthia Wark
Acting Deputy Director, Information Systems Group
Office of Clinical Standards and Quality
Centers for Medicare and Medicaid Services

October 20, 2004

VistA Office EHR Overview

- **Project Goals**
- **Federal Partners**
- **Development Approach**
- **Modifications**
- **Project Updates**
- **Input/Feedback**

Project Goals

- *VistA Office EHR will…*
  - Promote health information technology adoption in the physician office setting
  - Enable the exchange of clinical quality measures
  - Be based on the current Veterans Health Administration Freedom of Information Act (FOIA) VistA

Federal Partners

- The Centers for Medicare and Medicaid Services (CMS) in the Department of Health and Human Services (DHHS)

- The Veterans Health Administration (VHA) of the Department of Veterans Affairs (VA)

- The Indian Health Service (IHS/DHHS)

- The Health Resources and Services Administration (HRSA/DHHS)

Development Approach

- **Version 1.0 expected to be released July 2005**
- **Modular approach to modifications**
- **Usability testing**
- **Field Testing**
- **Release software via website**

Modifications to VistA

- **Registration changes to support general practice in non-VA environment**
- **Enhanced functionality for pediatric and OB/GYN care**
- **Laboratory interface training package and implementation guide**
- **Measure reporting to QIO clinical warehouse**
- **Disease management/Registry reminders and reporting**
- **HL7 interface specifications for practice management and billing applications**
- **Improved installation procedures**

Project Update

- **Future project updates and information will be posted on the CMS website at:**

http://www.cms.hhs.gov/quality/pfqi.asp

Feedback and Suggestions
