

## Awards to Disabled-Worker Families

**Table 35.**  
**Number, average primary insurance amount, and average monthly family benefit, 2001**

| Family composition                             | Number of families | Number of beneficiaries | Average primary insurance amount (dollars) | Average monthly family benefit (dollars) | Percentage of families receiving maximum family benefit |
|--|--------------------|-------------------------|--|--|---|
| Worker only                                    |                    |                         |  |  |   |
| Men  | 282,100            | 282,100                 | 1,021.73                                   | 994.20                                   | 10.5  |
| Women  | 248,300            | 248,300                 | 732.65                                     | 716.70                                   | 22.9  |
| Worker with children                           |                    |                         |  |  |   |
| By sex of worker                               |                    |                         |  |  |   |
| Men  | 63,200             | 169,800                 | 986.82                                     | 1,396.30                                 | 86.9  |
| Women  | 52,900             | 139,500                 | 764.4                                      | 1,039.70                                 | 93.2  |
| By number of children                          |                    |                         |  |  |   |
| 1 child  | 61,800             | 123,600                 | 908.56                                     | 1,272.50                                 | 90.6  |
| 2 children                                     | 36,700             | 110,100                 | 880.31                                     | 1,230.90                                 | 89.4  |
| 3 or more children                             | 17,600             | 75,600                  | 815.19                                     | 1,104.30                                 | 87.5  |
| Workers with—                                  |                    |                         |  |  |   |
| Spouse aged 62 or older <sup>a</sup>           | 4,500              | 9,100                   | 1,229.68                                   | 1,506.60                                 | 17.8  |
| Spouse aged 62 or older and 1 or more children | b                  | b                       | b  | b  | b   |
| Spouse and 1 child                             | 4,100              | 12,300                  | 1,083.99                                   | 1,552.00                                 | 85.4  |
| Spouse and 2 children                          | 3,000              | 12,000                  | 1,118.77                                   | 1,514.80                                 | 80.0  |
| Spouse and 3 or more children                  | 3,500              | 19,300                  | 987.99                                     | 1,352.10                                 | 77.1  |

SOURCE: Annual Award and Termination Transaction file, based on a 1 percent sample.

NOTES: A family means beneficiaries entitled on one worker's account. The data may understate the number of families with dependents because records of awards to dependents made in a different calendar year are not available for inclusion.

Includes beneficiaries whose benefits are being withheld.

a. If the spouse is also entitled to a retired-worker benefit, only the benefit amount received as a spouse is included.

b. Data not shown to avoid disclosure of information for particular individuals.
