Title: Director

1. Purpose. This directive sets forth the requirements, procedures, and guidelines for the administration of the Federal and State Ethics Program.

2. Definitions.

a. Coal mining operation - Means the business of developing, producing, preparing or loading bituminous coal, subbituminous coal, anthracite, or lignite, or of reclaiming the areas upon which such activities occur. (30 CFR 705.5 and 706.3)

b. Employee - Means any person employed by the Office of Surface Mining Reclamation and Enforcement within the U.S. Department of the Interior and any other person employed by the Federal Government who performs functions or duties under the Act without regard to the duration or nature of his or her appointment.

Also, means (i) any person employed by the State regulatory authority who performs any function or duty under the Act, an (ii) advisory board or commission members and consultants who perform any function or duty under the Act, if they perform decisionmaking functions for the State regulatory authority under the authority of State law or regulations. However, members of advisory boards or commissions established in accordance with State law or regulations to represent multiple interests are not considered to be employees. State officials may through State law or regulations expand this definition to meet their program needs. (30 CFR 705.5 and 706.3)

c. Senior employee - Means all Executive Level employees and officers and means an officer or employee designated by the Director, Office of Government Ethics, pursuant to 18 U.S.C. 207(d) to which subsection 207(b)(ii) and (c) shall apply. (43 CFR 20.735-61)

d. Special government employee - Means any employee or officer of the Department who is retained, designated appointed, or employed to perform temporary duties, with or without compensation, for not to exceed 130 days during any period of 365 consecutive calendar days, either on a full-time, part-time or intermittent basis (18 U.S.C. 202). (43 CFR 20.735-1)

e. Performing any function or duty under this Act - Means those decisions or actions, which if performed or not performed by an employee, affect the programs under the Act. (30 CFR 705.5 and 706.3)

f. Direct financial interest - Means ownership or part ownership by an employee of lands, stocks, bonds, debentures, warrants, partnership shares, or other holdings and also means any other arrangement where the employee may benefit from his or her holding in or salary from coal mining operations. Direct financial interests include employment, pensions, creditor, real property and other financial relationships. (30 CFR 705.5 and 706.3)

g. Indirect financial interest - Means the same financial relationships as for direct ownership, but where the employee reaps the benefits of such interests, including interests held by his or her spouse, minor child and other relatives, including in-laws, residing in the employee's home. The employee will not be deemed to have an indirect financial interest if there is no relationship between the employee's functions or duties and the coal mining operation in which the spouse, minor children or other resident relatives hold a financial interest. (30 CFR 705.5 and 706.3)

h. Apparent conflict - Means a situation where a member of the public would have reasonable cause to believe that an employee may be in conflict, even though he or she might not be. It is not necessary for an employee to have actually taken a Government action related to private financial interests for there to be an apparent conflict. (43 CFR 20.735-21)

i. Prohibited financial interest - Means any direct or indirect financial interest in any coal mining operation. (30 CFR 705.5 and 706.3)

j. Participated personally and substantially - Means to have participated directly through decision, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise, and includes the participation of a subordinate when actually directed by the former Government employee in the matter, and that the former employee's involvement must be of significance to the matter or form a basis for a reasonable appearance of such significance. A finding of substantiality should be based not only on the effort devoted to the matter but on the importance of the effort. (43 CFR 20.735-61)

3. Policy/Procedures.

(2) Annually, on February 1 of each year, file a statement.

g. All OSMRE Employees -

(1) All employees must comply with the following regulations:

(a) Have no direct or indirect financial interests in coal mining operations. The provisions in the Act make compliance with the financial interest requirements a condition of employment for OSMRE employees.

Criminal penalties are imposed by the Act. The Act provides that whoever knowingly violates the provision of the Act shall, upon conviction, be punished by a fine of not more than \$2,500, or by imprisonment for not more than one year, or both. (30 CFR 706)

(b) Restrictions of 43 CFR 20.735, Subpart B-"Ethical and Other Conduct and Responsibilities of Employees."

(a) Except as authorized by law, directly or indirectly receive or solicit compensation for any services rendered by the employee or another on behalf of another person before a Government agency in connection with a particular matter in which the United States is a party or has an interest (18 U.S.C. 203).

(c) Participate in his or her governmental capacity in any matter in which he or she, his or her spouse, dependent child, outside business associate, or person with whom he or she is negotiating for employment has a financial interest (18 U.S.C. 208).

(d) After his or her Government employment has ended, represent any other person (except the United States) before a Government agency or court in connection with a particular matter in which the United States is a party or has an interest and in which he or she participated personally and substantially for the Government (18 U.S.C. 207(a)).

(e) For two years after his or her Government employment has ended, represent any other person (except the United States) before a Government agency or court in connection with a particular matter in which the United States is a party or has an interest and which was actually pending under his or her official responsibility during the last year of his or her Government service (18 U.S.C. 207(b)(i)). This temporary restraint gives way to the permanent restraint described in the paragraph above if the matter is one in which he or she participated personally and substantially for the Government.

(f) Receive any salary, or supplementation of his or her Government salary, from a private source as compensation for his or her services to the Government (18 U.S.C. 209).

h. Detailed Employees to OSMRE - Detailed employees are required to file a DI-212A (where applicable, a SF-278 and DI-278) in accordance with 30 CFR 706.3 upon commencement of their detail. Because not all details require coordination through the Personnel Office, it is the responsibility of the supervisor under whom the detailee is assigned to notify the Assistant Ethics Counselor of the detail so that a statement may be requested and filed with the Agency.

After completing the first page and each part of the Schedules (including extra sheets of any Schedule where continuation pages are required for any part), consecutively number all pages.

b. The information to be disclosed is only that which the Ethics in Government Act of 1978, as amended, and 5 CFR Part 734 specifically require. You may, however, include in any section of the form such additional information, beyond the Act's requirements, as you may wish to disclose for purposes of clarification.

c. Combine on one form the information applicable to yourself, your spouse and dependent children; or if more convenient, use separate schedules to report the required information applicable to family members. You may, if you desire, distinguish any entry for a family member by preceding the entry with an (S) if it is for a spouse or a (DC) if it pertains to a dependent child.

d. Definitions of the various terms used in these instructions and detailed information as to what is required to be disclosed are contained in 5 CFR Part 734.

e. In the case of references to entities which do not have listed securities or are not described in standard reference materials (such as Moody's Manuals)—whether such entities are operating trades or businesses, or private investment pools or other private vehicles (such as IRAs) which are themselves the media for indirect financial interests in trades or businesses attributable to you—you must provide sufficient information about these private entities to give reviewers of disclosure reports an adequate basis for the conflicts analysis required by the Act. Thus, except in the case of private investment vehicles (for which full disclosure of holdings is required), you must disclose the primary trade or business of private entities, as well as attributed interests and activities therein. For instance, if your family swimming pool services corporation incurs a liability to purchase an apartment house for investment in addition to its pool services business, you will have to report your indirectly allocable share of the corporation's liability, the apartment house investment, and its purchase. In addition to the items you are required to report about your interest in the family corporation, you would not, of course,

have to report the day-to-day transactions of the pool services business nor such things as the normal and customary temporary liabilities it incurs with its suppliers.

f. If you need assistance in completing this form, contact the designated agency ethics official of the agency in which you serve, will serve or have served.

Schedule A

I. General Instructions

Two of the general disclosure requirements of the Act concern certain interests in property (generally referred to here as assets) and items of income. Schedule A is designed to enable you to meet both of these reporting requirements. Generally a description of your, your spouse's or dependent child's assets and sources of income is required to be listed in BLOCK A of the Schedule. Reading from left to right across the page from each description of the asset or income source, you will be able to report in BLOCK B the value of each asset, and in BLOCK C the type and amount of income generated by that asset or received from the non-asset source. BLOCK D is a question designed to lead incumbents and termination filers to Schedule B for certain of the items they have listed in BLOCK A.

On Schedule A are two examples which are representative of the reporting scheme of this Schedule. The first example represents the proper method of reporting a stock of the XYZ Company held by the reporting individual at the end of the reporting period which then had a value of \$40,000. The individual had also received dividends of \$1,500 and had purchased the stock during the reporting period. The second example represents the proper method of reporting the source of \$50,000 of earned income from private law practice as well as the \$12,500 of reporting individual maintained in the capital account in the law firm at the end of the reporting period. If, in the first example, the XYZ stock had been sold rather than purchased, there would be no entry in BLOCK B because the individual no longer owned the stock at the end of the reporting period, but there would be an entry for capital gains as well as dividends in BLOCK C if they were realized during the period.

Normally you will have to list an item only once in BLOCK A with all other value and income information associated with that item shown on the same

line to the right. However, when you have a number of different kinds of financial arrangements and transactions involving one entity, a full disclosure of all the required information for that entity may require more than one line. You may always use more than one line for clarification if you choose.

Note: Specific regulations for the reporting of interests in property and income are found in 5 CFR 734.301(e) and (f).

II. Property Interests and Assets (BLOCKS A and B)

A. Items to Report

Report the identity and category of valuation of any interest in property (real or personal) held by you, your spouse or a dependent child, in a trade or business, or for investment or the production of income which has a fair market value which exceeds \$1,000 as of the close of the reporting period. These interests include, but are not limited to, stocks, bonds, pension interests and annuities, futures, contracts, mutual funds, IRA assets, tax shelters, beneficial interests in trusts, income-producing bank accounts, real estate, commercial animals, crops and collectibles held for the production of income. **Exceptions:** Exclude your personal residence and any personal liability owed to you, your spouse or dependent child by a relative. Exclude also any deposits aggregating \$5,000 or less in a personal savings account in a single financial institution. A personal savings account includes a certificate of deposit or any other form of deposit in a bank, savings and loan association, credit union or similar institution. With respect to assets of a spouse or a dependent child, do not report items:

(i) which represents your spouse's or dependent child's sole financial interest or responsibility and of which you have no knowledge,

(ii) which are not in any way, past or present, derived from your income, assets, or activities, and

(iii) from which you neither derive, nor expect to derive, any financial or economic benefit.

Note: It is very difficult for most individuals to meet all three parts of this test, especially (ii). For instance, if you file a joint tax return with your spouse, you derive a financial or economic benefit from the items involved and you are charged with knowledge of those items. Therefore, those asset and income items do not fit the test.

A personal residence from which no income is derived should not be reported as a property interest because it is not held for investment or production of income. However, if you hold residential property which is used for investment or income purposes, such as a summer home rented during parts of the year, you must report that interest.

In the case of personal property such as antique collections and related holdings, the Office of Government Ethics deems intermittent sales from such a collection or holdings to demonstrate that they are held for investment or the production of income.

Valuation Method

The statute provides several methods you may use for determining valuation:

Option 1—any good faith estimate of the value of the property if the exact value is unknown or not easily obtainable,

Option 2—value based upon a recent appraisal of the property interest,

Option 3—the date of purchase and the purchase price of your interest,

Option 4—the assessed value of the property for tax purposes adjusted to reflect current market value if the tax assessment is computed at less than 100% of current value if Option 4 is used, describe the manner in which you adjusted the assessed value,

Option 5—the year-end book value of non-publicly traded stock, or the year-end exchange value of corporate stocks, or the face value of corporate bonds, or comparable securities,

Option 6—the net worth of your interest (as in a business partnership or other jointly held business interest),

Option 7—the equity value of your interest (as in a solely owned business or commercial enterprise), and

Option 8—actual value (e.g., savings accounts) or as last sale on a stock exchange)

You need not disclose which methods you chose unless you wish. This is a change from prior forms.

B. What to Show on the Form

Enter the identity of the asset in BLOCK A, and then show the applicable value in BLOCK B. Only

the category of value, rather than the actual value of the property interest or asset, must be shown.

For assets such as stocks, bonds, and securities, report any holdings by you, your spouse or dependent child from one source totaling more than \$1,000 in value. Identify the holding and show the category of value. When identifying shares of publicly traded stocks, the common abbreviation of the name of the corporation may be used if you have stock interests through an investment trust or mutual fund, and the holdings of the trust or fund are a matter of public record, you may—instead of identifying the fund's share holdings—identify your interest by simply giving the name of the trust or mutual fund. If you hold different types of securities of the same corporation (e.g., bonds and stocks of "X" Corporation), these holdings should be considered as being from the same source for purposes of determining whether the aggregate value of the interest is below or above the \$1,000 value.

To report interests in a business, a partnership, or joint venture, or the ownership of property held for investment, or the production of income, identify the character of your ownership interest, and, unless a publicly traded security, the nature and location of the business or interest. Thus, in the case of non-publicly traded securities, show the nature and address of the business (in addition to its name). For example, the entry for a holding of farm land might show, under BLOCK A, "sole ownership of 100 acres of unimproved dairy farm land on Rural Route #1 at Pine Bluff, Madison County, Wisconsin."

In the case of holdings that are essentially non-public such as private trades or businesses, investment pools or other private investment vehicles, sufficient disclosure must be made to give reviewers an adequate basis for the conflicts analysis required by the Act. Therefore, you must disclose the primary trade or business of private entities, as well as interests and activities not solely incidental to such a trade or business. For example, if your family is involved in a private real estate investment business but as a side interest buys stock through the business in a bank you must disclose in addition to real estate (by type and general location), that the family business holds an interest in a bank in addition, while under the general rules of Schedule A an individual who directly holds an IRA (Individual Retirement Account) would have to indicate its value and the income derived from it (even though non-taxable for Federal income tax purposes), with

out further disclosure of what financial interests are attributable to the individual by virtue of the IRA, it is not possible to evaluate the individual's compliance with applicable laws and regulations. If the IRA were invested solely in a mutual fund such as "Templeton World Fund, Inc." and the investment was disclosed in Schedule A, that would be sufficient as that fund's portfolio is detailed in Moody's Bank and Finance Manual and could be evaluated. If, however, the IRA was privately invested, detailed disclosure of the investment would be required on Schedule A in the same amount of detail as if the investment were directly held.

b. Trusts

With respect to trusts in which a beneficial interest in principal or income is held, report trust interests and trust assets which had a value in excess of \$1,000. You need not report the identity of assets of a trust of which you are the beneficiary if the interest is:

- a "qualified blind trust" or "qualified diversified trust" which has been certified by the Office of Government Ethics, or
- an "excepted trust", that is, one which—
 - A. is not created by you, or your spouse or dependent children, and
 - B. the holding or sources of income of which you, your spouse and dependent children have had no knowledge

In such cases, in lieu of disclosing the source and assets of the trust, you should show in BLOCK A the identity of the trust including the date the trust was created, and the classification of the trust interest as a "qualified blind trust", a "qualified diversified trust", or an "excepted trust". Although you need not report the identity of the assets of a qualified or excepted trust, the category of amount of the trust income, if it exceeded \$100, must be reported in BLOCK C.

Note: You are not permitted by the statute to "create" an excepted trust by avoiding previous sources of knowledge upon entering Government service. See subpart D of 5 CFR Part 734.

It is not necessary to identify those assets of a trust of which a spouse or dependent child is a beneficiary if the trust meets the same three-part test set forth in the first paragraph under II A above. However, in applying this test, if the trust is one set up for the education of your minor children, you do receive a financial benefit from such a trust and must

disclose the assets unless it is an "excepted trust" discussed immediately above.

Except for one of the three trusts described above, you must identify each individual investment holding of a trust which had a value in excess of \$1,000. For example, in BLOCK A an entry such as "Trust held by First National Bank (Boston, MA) consisting of ITT stock, U.S. Treasury certificates, and Dallas Municipal Bonds" might be made. In BLOCK B the applicable value of each trust asset would be entered (And, as described under IV B 5 Trust Income, below, the income from each asset would be entered in BLOCK C as well as income from assets of the trust sold during the reporting period.)

III. Earned and Other Non-Investment Income (BLOCKS A and C)

A. Items to Report

For yourself, report the identity of the source in BLOCK A and amount in BLOCK C of non-investment income exceeding \$100, from any one source, other than income from the United States Government for current Government services. Such income includes fees, salaries, commissions, compensation for personal services, pension payments, honoraria, etc. Report these items on the same line as any related interest in property (if any).

For your spouse, report the source, but not the amount, of your spouse's non-investment income exceeding \$1,000 from any one source. No report of the earned or non-investment income of your dependent children is required.

B. What to Show on the Form

1 HONORARIA—Means payment of money or anything of value to you or your spouse, for an appearance, speech, or article (See 2 U.S.C. §444 for full definition.) For each honorarium you received in excess of \$100 show the identity of the source in BLOCK A, the date and net amount in BLOCK C. For your spouse, you must show only the source of any honorarium over \$1,000 and the date of the event for which it was received. List each honorarium separately. For example, if you received \$1,400 for a speech before the Chicago Civic Club on March 19, 1984, of which \$200 was actually spent for round trip travel, and \$200 went to the agent who made the speaking arrangement, enter in BLOCK A "Chicago Civic Club, 18 Lakeshore Dr., Chicago, IL," in BLOCK C under OTHER specify

"Honoraria," under ACTUAL AMOUNT "\$1,000," and under DATE "3/19/84." If the same item of income was received under the same circumstances by your spouse, who is self-employed as a marketing consultant, you would enter in BLOCK A "S," Chicago Civic Club, 18 Lakeshore Dr., Chicago, IL," in BLOCK C under OTHER specify "Honoraria," under ACTUAL AMOUNT leave a blank or fill in N/A, and under date "3/19/84." Honoraria received and donated to charity must be reported, but a notation explaining that fact may be included in reporting such items.

2 OTHER INCOME—Means all income, exclusive of honoraria, received from non-investment sources including fees, commissions, salaries, income from personal services, pensions, etc. Report the identity of the source and give the actual amount of such income. For example, if you earned \$450 teaching at a law school, enter in BLOCK A "John Jones Law School, Rockville, MD," in BLOCK C under OTHER "Salary," and under ACTUAL AMOUNT "\$450." Exclude income totaling less than \$100 from any one source. For example, if you earned \$75 for teaching in one law school and \$150 from teaching at another school, report only the \$150 amount.

If your spouse has earned income in excess of \$1,000 from any one source identify the source but show nothing under amount. If your spouse is self-employed in a business or profession for example as a practicing psychologist who earned \$10,500 during the year, you need only show under BLOCK A "practicing psychologist."

3 UPDATE—A Presidential nominee to a position requiring the advice and consent of the Senate shall file with the Senate committee considering his or her nomination a report which shall update all items of his or her earned income and honoraria through the period ending no earlier than 5 days before the scheduled date of the Senate committee hearing on the nomination. This update shall be provided in the manner requested by the Senate committee considering the nomination.

IV. Investment Income (BLOCK C)

Report items of investment income on the same line of Schedule A as the related property interest or other asset from which such income is derived. Note that some property interests or other assets

will not have a related item of realized income. In such a case, check "None (or less than \$10)" in BLOCK C under category of amount

A. Items to Report

Report the identity in BLOCK A and category of value in BLOCK C of any investment income over \$100 from any one source received by you, your spouse or dependent child, or which accrued to the benefit of any one of you during the reporting period. For purposes of determining whether you meet the over \$100 threshold from any one source, you must aggregate all types of investment income from that same source.

Investment income includes, but is not limited to: income derived from dealings in property, interest, rents, royalties, dividends, annuities, income from endowment contracts, income from discharge (forgiveness) of debts owed to you, your distributive share of partnership or joint venture income, and income from an interest in an estate or trust. You need not show the exact dollar amount of dividends, rents and royalties, interest, capital gains, and certain trust income. For these specific types of income you need only check the category of amount of the item reported. For all "other investment income" as described in item 6 below, you will have to report the exact dollar amount of income from each source.

B. What to Show on the Form

1. **DIVIDENDS—**Show on BLOCK C the category of the amount you, your spouse or dependent child received as dividends from investment sources including common and preferred securities, endowment contracts, and pension and annuity funds. Identify the source of such income and check the category of amount. When identifying the source of a corporate stock dividend, you may abbreviate the corporate name. For example, if cash dividends of \$950 were received for shares of common stock of International Business Machines, enter in BLOCK A "IBM common", and in BLOCK C check that dividend income was received and check the appropriate category of amount.

2. **RENTS AND ROYALTIES—**Show income received by you, your spouse or dependent child as rental or lease payments for occupancy or use of personal or real property in which any one of you have an interest. In addition, show payments received from such interests as copyrights, royalties, inventions, patents, and mineral leases or other interests. Identify the source of such income and check the category of amount. For

example, if you received \$2,000 as rental income from an apartment building in Miami, Florida, enter in BLOCK A "apartment building, at 5802 Biscayne Blvd., Miami, FL", and in BLOCK C check that rental income was received and check the appropriate category of amount.

3. **INTEREST—**Identify the source and the category of amount of any interest earned or received by you, your spouse or dependent child as income from investment holdings including bills and notes, loans, promissory notes, annuity funds, bonds, and other securities. For example, if you earned \$300 in interest during the calendar year on a Savings Certificate with Federal Savings and Loan (Baltimore, MD)—Savings Certificate, and in BLOCK C check that interest income was received and check the appropriate category of amount.

4. **CAPITAL GAINS—**Report income from capital gains received or realized by you, your spouse or dependent child from sales or exchanges of property, business interests, partnership interests or shared ownership investment interests. Identify the source and check the category of amount of the gain. An example of an entry in BLOCK A might be "sale of one-third interest in 100-acre farm in Hamilton County, Iowa", and in BLOCK C check that capital gains were received and check the appropriate category of amount.

5. **TRUST INCOME—**Report the category of amount and the type of any income of \$100 or more received from any trust. You need not identify the source from which the trust received the income when the trust is: (i) a "qualified blind trust" or "qualified diversified trust", which has been certified by the Office of Government Ethics, or (ii) an "excepted trust", one which was not created directly by, and about which no knowledge of holdings or source of income of the trust is possessed by you, your spouse or dependent child. Note, you are not permitted by the statute to "create" an excepted trust by avoiding previous sources of knowledge upon entering Government service. See Subpart D of 5 CFR Part 734.

Whenever you are required to identify the source of trust income, either for yourself or for a "spouse or child," it is not enough simply to say "John Jones Trust". Generally, the investment holdings of the trust, discussed above under "Property Interests and Assets," and the income derived from each holding must be identified to the same extent as if held directly. However, if

the trust is a qualified trust or an excepted trust, in BLOCK A show only the identity of the trust including the date the trust was created, and in BLOCK C check the classification of the trust interest as a "qualified blind trust", "qualified diversified trust", or "excepted trust", and check category of amount of the income realized.

6. **OTHER INVESTMENT INCOME—**Report any items of investment income exceeding \$100 which are not described above, such as income from business interests, property dealings, annuities, an estate, or a distributive share of a partnership or joint business venture's income. To identify the sources of other investment income, either for yourself, your spouse, or a dependent child, briefly characterize, in BLOCK A, the nature of the business or investment interest, and when applicable, the location for example, "one-third ownership in a retail furniture store at 1010 Grand Ave. Chicago, IL." In BLOCK C, under OTHER specify the applicable type of income, for example "distributive share" from a partnership or "gross income" from a proprietorship, and under ACTUAL AMOUNT the actual amount of such income which was realized during the reporting period.

V. Transactions Test (BLOCK D)

BLOCK D is to be completed by incumbent and termination filers only. It is designed to assist you in determining which assets in BLOCK A will also have to be reported in Part I of Schedule B as being purchased, sold or exchanged during the reporting period. You will need to check "YES" or "NO" in BLOCK D for any real property or stocks, bonds, commodities futures, and other forms of securities listed in BLOCK A. You need not answer the questions for any other kinds of items listed in BLOCK A. If you answer "Yes" for any such item, you must also report the details of the purchase, sale or exchange in Part I of Schedule B.

Schedule B

I. Part I—Transactions

A. General Instructions and Items to Report

This part is to be completed by incumbents and termination filers only. Give a description, the date, and the category of amount of any purchase, sale,

or exchange of any real property, stocks, bonds, commodities futures and other securities by you, your spouse or dependent child when the amount involved in the transaction exceeded \$1,000. This will include the transaction for any asset for which you answered "Yes" in BLOCK D of Schedule A. It also includes reporting any sale or exchange of an asset involving an amount exceeding \$1,000 when the sold or exchanged asset did not yield in come of more than \$100 (and therefore was not reported on Schedule A), or reporting the purchase of an asset involving an amount exceeding \$1,000 but at the end of the reporting period having a value less than \$1,000 and earning income of \$100 or less during the reporting period (and therefore not appearing on Schedule A). The example on the form shows the proper way to disclose the XYZ common stock the reporting individual purchased for \$35,000 on 2/1/83. Note on Schedule A, that there is an entry for the stock as well since it was still held at the end of the reporting period and that the reporting individual property noted "Yes" in BLOCK D.

You need not report a transaction involving (1) your personal residence(s); (2) a money market mutual fund or personal bank account; (3) an asset of your spouse or dependent child if the asset meets the three-part test set forth under the instructions for Schedule A, at II A, and (4) a holding of a "qualified blind trust", a "qualified diversified trust" or an "excepted trust". You will need to report any transactions of a business or commercial enterprise in which you, your spouse or dependent child have a direct proprietary or general partnership interest.

You are required to report any covered transaction of any company, investment pool, or other entity, in which you, your spouse or dependent child have an interest if (i) the entity is not described in standard reference materials, or (ii) the transaction is not incidental to the primary trade or business of the entity as indicated by you on Schedule A. (See also section V(e) of the General Instructions preceding for Schedule A.)

B. What to Show on the Form

Under identification of assets, identify the property or securities involved in the purchase, sale or exchange, and give the date of the transaction. For example, under IDENTIFICATION OF ASSETS: "GMC common stock"; under TYPE OF TRANS ACTION: "check type"; under DATE: "enter date transaction occurred"; under AMOUNT OF TRANS ACTION: "check the category of value of the sale price"; purchase price, or exchange value of the property involved in the transaction.

II. Part II—Gifts and Reimbursements

A. General Instructions

This Part is to be completed by incumbents and termination filers only. The Act requires you to disclose the receipt of gifts, in-kind travel expenses, and cash reimbursements by you or your spouse from any one source other than the U.S. Government. Generally, these are (1) gifts of in-kind services of transportation, lodging, food or entertainment aggregating \$250 or more from any one source; (2) cash reimbursements aggregating \$250 or more from any one source for any kind of expense, and (3) other gifts, whether tangible or intangible, aggregating \$100 or more from any one source. This reporting requirement applies to gifts and reimbursements received by your spouse to the extent the gift was not given to him or her totally independent of his or her relationship to you.

B. Items to Report

Report gifts received by you, your spouse or dependent child during the reporting period. A "gift" means any payment, forbearance, advance, tender, or deposit of money, or anything of value, unless consideration of equal or greater value is received by the donor. In determining which gifts and reimbursements must be reported or aggregated for purposes of meeting the threshold disclosure amounts, exclude these items:

- i. Gifts having a value less than \$35;
- ii. Gifts received from "relatives" (see definition in Introduction);
- iii. Bequests and other forms of inheritance;
- iv. Suitable mementos of a function honoring the reporting individual;
- v. Food, lodging, transportation, and entertainment provided by a foreign government within a foreign country or by the United States Government;
- vi. Food and beverages consumed at banquets, receptions or similar events;
- vii. Gifts in-kind of food, lodging, transportation and entertainment aggregating less than \$250 in value received from any one source during the preceding calendar year (for purposes of the \$250 aggregation in this exclusion items with a fair market value of \$35 or less need not be counted);
- viii. Gifts (other than transportation, lodging, food or entertainment) aggregating less than \$100

in value received from any one source (for purposes of the \$100 aggregation in this exclusion, you need not count any items with a fair market value of \$35 or less, nor any item for which, in an unusual case, a publicly available request for waiver was granted).

- ix. Gifts given to a spouse totally independent of his or her relationship to you;
- x. Gift items in the nature of communications to your office, such as subscriptions to newspapers and periodicals;
- xi. Gifts of hospitality on the donor's personal or family premises, as defined in 5 CFR § 734.105(f);
- xii. Gifts and reimbursements received during non-Federal employment periods; and
- xiii. Reimbursements you received for political trips which were required to be reported under section 304 of the Federal Election Campaign Act of 1971 (2 U.S.C. 434).

C. What to Show on the Form

1. **TRANSPORTATION, LODGING, FOOD, ENTERTAINMENT.**—Report the identity of the source, a brief description, and the approximate value of in-kind gifts of transportation, lodging, food or entertainment aggregating \$250 or more from any one source which were received by you or your spouse and which do not fall within any of the categories of exclusions enumerated above. To reach a \$250 aggregation, you determine whether any one or combination of the components within this gift category received from one source (transportation, lodging, food and entertainment) amounts to \$250 or more in value. For example, if you spent a weekend at a hunting lodge owned by AmCoal Corporation, and you received lodging fairly valued at \$150, food valued at \$100, and entertainment valued at \$125, the aggregate value of the gift is \$375. A gift of this nature—hospitality at a lodge owned by a corporation rather than an individual—would not qualify as a "personal hospitality" exclusion. To report this gift you would show, under SOURCE "AmCoal Corp., 1210 North St., Chicago, IL," under BRIEF DESCRIPTION "lodging, food, and entertainment as a guest at hunting lodge owned by AmCoal," and under VALUE "\$375."

2. **OTHER GIFTS.**—Report the identity of the source, a brief description, and the value of gifts other than transportation, lodging, food or entertainment aggregating \$100 or more in val-

ue from any one source, other than excluded gifts which you or your spouse received during the calendar year. Thus, if you and your spouse each receive a \$60 figurine from the same donor, the gift has a value of more than \$100, and it must be reported. To report the gift, identify the source, briefly describe the items, and show the value in the case of the figurines, report on the form under SOURCE "Artfact Co., 153 Utah St., Omaha, NE," and under BRIEF DESCRIPTION "two porcelain figurines." Under VALUE "\$120," would be shown.

3. **REIMBURSEMENTS.**—Report the source and the approximate value of any cash reimbursements (except those from the United States Government) aggregating \$250 or more which you or your spouse received from any one source. For example, if you were reimbursed \$400 for travel and lodging expenses in connection with a speech you made for the State Realtors Association, you would report this item on the form by showing under SOURCE "State Realtors Assoc., 45 Bridge St., Denver, CO," under BRIEF DESCRIPTION "travel expenses for speech made in Denver," and under VALUE "\$400" would be shown. If your spouse made this speech and received the reimbursement totally independent of his or her relationship to you, no information for this item need be reported.
- Note:** If you receive in-kind services of transportation, lodging, food, and entertainment or a reimbursement of official travel expenses from a non-profit tax-exempt institution categorized by the IRS as one falling within the terms of 26 U.S.C. 501(c)(3), you must report the name of the organization, a brief description of the in-kind services or the reimbursement and the value, if known; you may also wish to note the date you received the required written approval from your agency to accept such items.

Schedule C

I. Part I—Liabilities

A. General Instructions

The Act requires you to disclose certain of your financial liabilities. The examples on the form show how to report a mortgage on real estate, the report of individual held for the production of income and a promissory note made to an individual. Note that you will need to disclose the date, interest rate and term (if applicable) of each liability. Also note you

must disclose the highest amount owed on any liability held during the reporting period, not just at the end of the period. If the liability was completely paid during the period, you may also note that on the form if you wish.

B. Items to Report

Identify and give the category of amount of the liabilities which you, your spouse or dependent child owed to any creditor, other than a relative, which exceeded \$10,000 at any time during the reportable period, except

- i. a mortgage secured by real property which is the personal residence (or a second residence not used for producing income) of you or your spouse;
- ii. a loan secured by a personal motor vehicle, household furniture or appliances, where the loan does not exceed the purchase price of the item;
- iii. a revolving charge account where the outstanding liability did not exceed \$10,000 as of the close of the preceding calendar year; and
- iv. any liability of your spouse or dependent child which represents the sole financial interest or responsibility of the spouse or child, and about which you have no knowledge, and which is not related to your income, assets, or activities, and concerning which you neither derive nor expect to derive any financial or economic benefit.

You are required to report any liability of any company, investment pool, or other entity, in which you, your spouse or dependent child have an interest, if (i) the entity is not described in standard reference materials, or (ii) the liability is not incidental to the primary trade or business of the entity as indicated by you on Schedule A. (See also section V(e) of the General Instructions preceding those for Schedule A)

C. What to Show on the Form

Under NAME AND ADDRESS OF CREDITOR

the name and address of the actual creditor must be shown unless the reporting individual is only able to identify a fiduciary and certifies in the report that he has made a good faith effort to determine who the actual creditor is, and was unable to do so, or upon his certification that such determination is otherwise impracticable. Under TYPE OF LIABILITY, briefly indicate the nature of the liability. Under DATE, enter date loan incurred, under INTEREST RATE, note the set rate or, if a variable one, the formula used to vary the rate, i.e. prime

+ 2%; and under TERM... the duration of the loan. Check the category of value.

II. Part II—Agreements or Arrangements

A. General Instructions and Items to Report

Provide information regarding any agreements or arrangements you have concerning (i) future employment; (ii) a leave of absence during your period of Government service; (iii) continuation of payments by a former employer other than the United States Government; and (iv) continuing participation in an employee welfare or benefit plan maintained by a former employer. This includes any arrangements or negotiations with a future employer entered into by a termination filer. For purposes of public disclosure only, you must disclose any negotiations for future employment from the point you and a potential private sector employer have agreed to your future employment by that employer whether or not you have settled all of the terms, such as salary, title, benefits, and date employment is to begin. Your agency may require internal disclosure of negotiations much earlier and you should seek guidance before conducting any negotiations with persons with whom you do business. A criminal statute, 18 U.S.C. § 208, applies to actions you may take while negotiating future private sector employment.

The example on the form shows the severance agreement under which the reporting individual ex-

pects to receive a lump sum payment from the law firm he has left in order to enter the Government.

B. What to Show on the Form

Under DESCRIPTION OF TERMS... describe the agreement or arrangement with appropriate specificity. Under PARTIES... show the name of the organization, or entity, and (if applicable) the name and title of the official, corporate officer, or principal person responsible for carrying out the terms of the agreement or arrangement. Under DATE... show the date of any such arrangement. No report is required regarding any agreement or arrangement entered into by a spouse or dependent child.

Schedule D

I. Part I—Positions Held

A. Items to Report

Report all positions held at any time during the reporting period, as well as those positions you currently hold as an officer, director, trustee, partner, proprietor, representative, employee or consultant of (i) any corporation, company, firm, partnership, trust, or other business enterprise; (ii) any non-profit organization; (iii) any labor organization; (iv) any educational institution; or (v) other institution other than the United States Government. Exclude positions held in any religious, social, fraternal, or political entity, and any positions solely of an honorary

nature. No report is required regarding any positions held by your spouse or a dependent child. Be sure to report on Schedule A any income you received from acting in any of these positions.

B. What to Show on the Form

Give the name, address and brief description of the organization, the title or other brief functional description of the position, and the dates you held the position. If you currently hold the position, in the entry block under TO note "Present".

II. Part II—Compensation in Excess of \$5,000 Paid by One Source

A. General Instructions

This Part is to be completed by nominees and new entrants only. This Act requires that you disclose your sources of compensation in excess of \$5,000 and the nature of the duties you provided. This includes not only the source of your salary or other fees, but the disclosure of clients for whom you personally provided \$5,000 in services even though the client's payment was made to your employer, firm or other business affiliation. The example on the form shows the proper way to disclose the business affiliation which paid the reporting individual's compensation, in this case a law firm, and a client of the firm for whom the reporting individual personally provided over \$5,000 worth of services. This Part does not require you to disclose the value of the compensation for these services; it does require a

brief description of the services you provided. When a source has paid you directly, you should have a corresponding entry on Schedule A. A client who paid your business affiliation \$5,000 or more for your services will appear only in this Part.

B. Items to Report

Report the nature of the duties performed or services rendered for any person (other than the United States Government) from which compensation in excess of \$5,000 in any of the two preceding calendar years, or the present calendar year was received by you or an entity which billed for your services (business affiliation). Exclude: (i) information to the extent that it is considered confidential as a result of a privileged relationship established by law, or (ii) information about persons for whom services were provided by a business affiliation of which you were a member, partner or employee unless you were directly involved in the provision of the services. The name of a client of a law firm is not generally considered confidential. No report is required regarding compensation paid to your spouse or a dependent child.

C. What to Show on the Form

Under SOURCE... give the name and address of the person to whom services were provided, for example, "Newark Real Estate Co. (Newark, NJ)" and under BRIEF DESCRIPTION... the title or other brief functional description of the services rendered, for example, "tax matters researched for above firm while an associate with Quinn and Ouspensky".

This includes but is not limited to annuities, stocks, bonds, tax shelters, bank accounts, real property, mutual funds, pensions, IRA assets, assets of certain trusts, commodities futures, personal businesses, and partnership interests. Exclude your personal residence unless you rent it out. See instructions for rules on bank accounts and complex holdings.

All Filers: In BLOCK B report the value of each asset listed in BLOCK A which had a fair market value exceeding \$1000 at the close of the reporting period.

All Filers: In BLOCK C report the type and amount of income exceeding \$100 or more received from the assets and other sources of income listed in BLOCK A.
