SUPPLEMENTARY INFORMATION: Section 182(b)(2) of the Clean Air Act requires that States shall submit a revision to the applicable implementation plan to include provisions to require the implementation of RACT for each category of volatile organic compounds (VOC) sources in the area covered by a CTG document issued by the Administrator after enactment of the Clean Air Act Amendments of 1990. This revision shall be submitted within the period set forth by the Administrator in the relevant CTG document. This time table for States to submit RACT rules is further described in Section IV of Appendix E, General Provisions for the Implementation of Title I of the Clean Air Act Amendments of 1990 (57 FR 18077). A CTG document for control of VOC emissions from wood furniture manufacturing operations was made available to the public through a Federal Register notice published on May 20, 1996 (61 FR 25223). Today's notice establishes the adoption and implementation dates for RACT rules required to be developed in response to this CTG.

Any State which has not adopted an approvable RACT rule for the sources covered by this

CTG must submit a RACT rule for these sources before May 20, 1997. Furthermore, States must provide for sources to install and operate the required control devices or implement the required procedures under these RACT rules no later than May 20, 1998.

Dated: September 20, 1996.
