## PEP - ENVIRONMENTAL STATEMENT MEMORANDUM NO. ESM03-2

To: Heads of Bureaus and Offices

From: Willie R. Taylor, Director  
Office of Environmental Policy and Compliance 

Subject: Guidance for Preparing a Decision Memorandum When Using the Department's  
Categorical Exclusions for Fuels Treatment or Rehabilitation

The requirements in this Environmental Statement Memorandum (ESM) are being issued under the authority provided to the Office of Environmental Policy and Compliance (OEPC) by 381 Departmental Manual (DM) 4.5B, to convey instructions and guidance through its Environmental Memoranda Series, and by 516 DM 6.2, which authorizes OEPC to provide advice and assistance to the Department on matters pertaining to environmental quality and for overseeing and coordinating the Department's compliance with NEPA, the CEQ regulations, and 516 DM 4.22, which authorizes OEPC to provide further guidance concerning NEPA.

This memorandum supplements 516 DM 2, Appendix 1 for categorical exclusions 1.12 and 1.13 only. These categorical exclusions concern hazardous fuels reduction and fire rehabilitation activities. These categorical exclusions were published in the Federal Register on June 5, 2003 (see: 68 FR 33813-33824).

When applying these categorical exclusions, bureau field managers must prepare a decision memorandum containing the elements of the attached template to support the use of these categorical exclusions. Bureau checklists or other existing documentation may be used in conjunction with this template. Also, existing bureau documentation may be used as a basis to create new bureau guidance to implement this Departmental guidance. However, any changes from the attached template must be approved by this office.
