

Annual Report

United States Department of the Interior
Bureau of Reclamation

Fiscal Year 2002

A CENTURY OF WATER FOR THE WEST
1902 - 2002

United States Department of the Interior

The mission of the Department of the Interior is to protect and provide access to our Nation's natural and cultural heritage and honor our trust responsibilities to Indian tribes and our commitments to island communities.

Bureau of Reclamation

The mission of the Bureau of Reclamation is to manage, develop, and protect water and related resources in an environmentally and economically sound manner in the interest of the American public.
