

Dear Parent:

It is as important for your child or teenager to get preventive care as it is to get treatment when he or she is sick. We want to make sure your child or teenager gets the tests, immunizations, and guidance needed to stay healthy. Our records indicate that, based on age, your child or teenager needs the types of preventive care indicated below.

Please: ☐ Call us to make an appointment (Phone #) ☐ Keep your appointment on		
Thank you.		
☐ GENERAL CHECKUP
