NOTE TO HOWARD CALIFANO

As we discussed yesterday, enclosed is the supplemental submission of CellPro, Incorporated in support of their petition for march-in.

Also, we are pleased to hear that Johns Hopkins University is committed to ensuring that no gap in patient access to the devices at issue will result from the actions of your licensees, specifically with regard to the proposed injunction sought by Baxter.

Please keep me apprised of any developments.

Regards,

A handwritten signature in cursive script, appearing to read "Barbara McGarey", is written over the typed name.

Barbara M. McGarey, J.D.
