## SERVICE FEES AND BILLING CODES

### 1. PURPOSE

This directive transmits the fee schedule and billing codes for official services performed by the Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service (FGIS). Further, it transmits the billing rates for Inspection and Weighing Services performed in the United States under the United States Grain Standards Act and Commodity and Rice Inspection Services performed in the United States under the Agricultural Marketing Act of 1946.

### 2. REPLACEMENT HIGHLIGHTS

This directive replaces FGIS Directive 9180.74 (dated 2/26/04).

Inspection and Weighing fees were increased effective June 14, 2004, as published in the Federal Register (69 FR 26476) on May 13, 2004.

### 3. AUTHORITIES

The United States Grain Standards Act, as amended

The Agricultural Marketing Act of 1946

Title 7, Code of Federal Regulations, Parts 800 and 868

### 4. POLICY

Fees assessed by FGIS for official services shall be reasonable, nondiscriminatory, and cover the estimated cost of the service. These costs include direct, administrative, and supervisory costs related to these services.

**5. FEES AND BILLING CODES**

The attachments transmit the fees and billing codes for official services provided by FGIS.

Attachment 1- Fees for grain inspection and weighing services in the United States

Attachment 2- Fees for grain inspection and weighing services in Canada

Attachment 3- Fees for supervision of grain inspection and weighing services in the  
United States

Attachment 4- Fees for rice inspection services

Attachment 5- Fees for commodity inspection services

Attachment 6- Fees for laboratory tests

**6. INQUIRIES**

Direct all inquiries regarding fees or billing codes to the Director of Field Management Division at (202) 720-0228.

1/ Fees apply for original inspection and weighing, re-inspection, and appeal inspection service and include, but are not limited to, sampling, grading, weighing, prior to loading stowage examinations, and certifying results performed within 25 miles of an employee's assigned duty station. Travel and related expenses will be charged for services outside 25 miles as found in section 800.72.

2/ An additional charge will be assessed when the revenue from the services in the above section does not cover what would have been collected at the applicable hourly rate as provided in section 800.72(2).

3/ If performed outside of normal business hours, 1½ times the applicable unit fee will be charged.

4/ If, at the request of the Service, a file sample is located and forwarded by an agency for an official appeal, the agency may, upon request, be reimbursed at the rate of \$2.50 per sample by the Service.

5/ Board appeal inspections are based on file samples.

6/ Testing Aflatoxin for HPLC should be charged at the applicable USGSA non-contract hourly fee, utilizing rate code G240, by the total number of hours (3.75) required to perform the testing.

7/ If a ship has had, and passed, a stowage examination at one port location but not loaded all holds examined and then moved to another port, the subsequent stowage examination shall not be charged the minimum hold fee but only the per hold unit charge.

8/ Testing fees are applicable to any level of service (original inspection, re-inspection, appeal inspection, or Board appeal inspection) and do not include a sampling service fee which, if applicable, will be assessed separately in accordance with the fees in this schedule.
