

PARTNERSHIP FOR READING

Materials Order Form

The Partnership for Reading is a collaborative effort by the National Institute for Literacy, the U.S. Department of Education, and the National Institute of Child Health and Human Development (NICHD), part of the National Institutes of Health at the U.S. Department of Health and Human Services, to bring the findings of evidence-based reading research to those with an interest in helping all people learn to read well.

National Reading Panel -- Teaching Children to Read: Summary Report

This report is an excellent resource for parents, teachers, administrators, or anyone interested in learning about reading instruction. It explains the origin of the Panel and its congressional charge. It also describes the research strategy and findings of each of the Panel's five subgroups. 33 pages; Limit 1 per order.

National Reading Panel -- Teaching Children to Read: Reports of the Subgroups

This comprehensive report explains the methodology and scientific research used by the Panel. It contains an executive summary from each subgroup outlining the group's methods, detailed explanations of research methodology, and results from studies.

Currently available online only at <http://www.nichd.nih.gov/publications/nrp/report.htm>.

National Reading Panel -- Teaching Children to Read: Video (2nd Edition)

This video highlights the main points of the National Reading Panel's (NRP's) comprehensive report on reading instruction. It demonstrates research-based findings through actual classroom applications with real students. The video also contains clips of NRP members explaining the rationale behind their conclusions. 20 minutes; limit 1 per order.

Put Reading First: The Research Building Blocks for Teaching Children to Read

This teacher's guide summarizes what researchers have discovered about how to teach children to read successfully. It describes the NRP findings, provides analysis and discussion in reading instruction, and suggests implications for the classroom. 58 pages; limit 1 per order.

Partnership for Reading Order Form

You can view, download, print, and order Partnership for Reading materials at www.nifl.gov/partnershipforreading, at the National Reading Panel Web site, www.nationalreadingpanel.org, and at the NICHD site at www.nichd.nih.gov/publications. The NICHD can only provide single copies of Partnership for Reading Materials at this time. To order multiple copies, contact EDPubs at 1-800-228-8813 (TDD/TTY 1-877-576-7734) or at www.edpubs.org/webstore/Content/search.asp.

Put Reading First: Helping Your Child Learn to Read (Preschool Through Grade 3)

This brochure for parents of young children, describes the kinds of activities that should take place at school and at home to help children learn to read successfully. It is based on the findings of the NRP.

Also Available in Spanish: La Lectura Es Lo Primero: Como Ayudar a su Hijo a Aprender a Leer -- Una Guia Para Padres de Familia (Del Preescolar al Tercer Grado)

A Child Becomes a Reader: Proven Ideas from Research for Parents (Birth to Preschool)

This booklet offers advice for parents of children from birth to preschool on how to support reading development at home, based on the findings of the NRP, and how to recognize preschool and day care activities that start children on the road to becoming readers.

A Child Becomes a Reader: Proven Ideas from Research for Parents (Kindergarten to Grade 3)

This booklet offers advice for parents of children from grades K-3 based on the findings of the NRP on how to support reading development at home, and how to recognize effective instruction in their children's classrooms.
