Ms. Elizabeth Starks takes advantage of the assistance provided by USDA-Natural Resources Conservation Service (NRCS) in Perry County. Ms. Starks' farm is located near Uniontown, AL. NRCS has worked with Ms. Starks as she makes improvements on her land. She has utilized the Environmental Quality Incentives Program (EQIP) to plant fescue on a 13-acre field for pasture. The EQIP program also helped Ms. Starks install 1,113 feet of cross fencing for grazing management. A conservation plan has enabled Ms. Starks to utilize conservation programs to implement her conservation goals.
