CONGRESSMAN

ADAM SCHIFF

Congressman Adam Schiff meets regularly with students to discuss public policy issues and community, opportunity and responsibility.

GUIDE To CONSTITUENT SERVICES

Dear Neighbor:

As your Congressman, I want to do everything possible to be of service to you. When you give us a call, we will respond as promptly as possible—whether it's a problem in your neighborhood, in the schools, in health care, or with your tax returns, retirement benefits, or mail service.

Your views shape policy. Every year, Congress votes on hundreds of issues that make a difference to the people of our district: public safety, Social Security, Medicare, health care, education, taxes, foreign affairs, defense, transportation, the environment, technology...the list is nearly endless. To best represent you in Congress, I need the benefit of your experience and input. If you have a question or opinion to share about a particular issue, please write, call, or visit my website. Share your experience and tell me how legislation affects you.

I truly appreciate the opportunity you have given me to represent you, and look forward to working during the 107th Congress for a stronger America.

Sincerely,

A handwritten signature in blue ink that reads "Adam B. Schiff". The signature is fluid and cursive, with the first name "Adam" and last name "Schiff" clearly legible.

“As your Congressman, your concerns are important, and I need your input. So, if you need help with a federal agency or just want to share your thoughts on an issue, please call, write or email me.”

I'M HERE TO HELP!

My staff members in our Pasadena office and I are always pleased to assist you with questions or problems you might encounter with federal agencies. While we cannot order a federal agency to decide a matter in your favor, I want to ensure that you are treated fairly. Here are some of the areas where we may be able to help:

- Social Security & Medicare
- Student financial aid
- Veterans' benefits & military service
- U.S. Small Business Administration services
- Mail delivery and service
- Immigration, naturalization and citizenship
- IRS problems
- Federal grant searches
- Consumer protection referrals
- Regulatory compliance
- Disaster assistance
- Military academy appointments

Academy Appointments

We can help you start a career with the Army, Navy, Air Force, or Merchant Marines. Each year

I recommend qualified students for admission to the service academies on a competitive basis. You must be a U.S. citizen and a resident of our Congressional district and between the ages of 17 and 23. For more details and information, please contact my Pasadena office.

Passports/Visas/International

We can provide you with a passport application and help to expedite your application

in emergencies. I serve on the International Relations Committee, and our office has particular expertise in assuring that the U.S. Embassies provide you with travel information and assistance in conducting business abroad.

U.S. Flags

Our office is able to secure, at cost, U.S. flags which can be flown over the U.S. Capitol. Each flag comes with a certificate of authenticity and the date it was flown.

Visiting the Nation's Capital

We can help you with tickets for tours of the Capitol, Supreme Court, and other

important Washington sights. Please give us as much notice as possible. We hope you will also stop by to see us at 437 Cannon House Office Building while you are in town.

Schiff Website

We have designed a website to give you access to a variety of information about your government—and more. You can check on the projects I am

working on for the benefit of our region and send me an email. You can check results of votes in the House or Senate, or research the status of a bill. If you are a student, we have links to many sites useful for your school reports and homework. You can also sign up for our *Washington Update*—a twice-monthly newsletter you can get by email or regular mail to learn about projects in Washington affecting our region. It's all available at: www.house.gov/schiff
