Technological Advisory Council Members

The FCC's Technological Advisory Council held its first meeting on April 17, 2003 under the leadership of Dr. Robert Lucky. The Council was established by the Federal Communications Commission to provide a means by which a diverse array of recognized technical experts from different areas such as manufacturing, academia, communications services providers, and the research community can provide advice to the FCC on innovation in the communications industry. A list of Council members is appended to this notice.

The next Council meeting is schedule for Monday, July 7 2003 starting at 10:00 in the Commission Meeting Room, TW-C305 at 445 12th Street S.W., Washington, D.C.

For further information, contact Jeffery Goldthorp at 202-418-1096 voice, 202-418-2989 TTY, 202-418-1944 FAX, or jgoldtho@fcc.gov. RealAudio access to the meeting and other information about the Technological Advisory Council may be obtained through the Commission's web site <http://www.fcc.gov/oet/tac/>
