§ 422.505

§ 422.315 Review of our records related to the debt.

(a) *Notification by the debtor.* The debtor may request to inspect or copy our records related to the debt.

(b) *Our response.* In response to a request from the debtor described in paragraph (a) of this section, we will notify the debtor of the location and time at which the debtor may inspect or copy our records related to the debt. We may also, at our discretion, mail to the debtor copies of the records relating to the debt.

§ 422.317 Review of the debt.

(a) *Notification and presentation of evidence by the debtor.* A debtor who receives a notice described in § 422.305(b), § 422.306(b), or § 422.310(c) has a right to have us review the debt. To exercise this right, within 60 calendar days from the date of our notice, the debtor must notify us and give us evidence that he or she does not owe all or part of the debt or that we do not have the right to collect it. If the debtor does not notify us and give us this evidence within the 60 calendar-day period, we may take the action described in our notice.

(b) *Review of the evidence.* If the debtor notifies us and presents evidence within the 60 calendar-day period described in paragraph (a) of this section, we will not take the action described in our notice unless and until we consider all of the evidence and send the debtor our findings that all or part of the debt is overdue and legally enforceable.

(c) *Findings by SSA.* Following our review of all of the evidence presented, we will issue written findings, including the supporting rationale for the findings. Issuance of these findings will be the final Agency action on the debtor's request for review. If we find that the debt is not overdue or we do not have the right to collect it, we will not send information about the debt to consumer or other credit reporting agencies or refer the debt to the Department of the Treasury for administrative offset.

§ 422.505 Applications and related forms for retirement, survivors, and disability insurance programs.

(a) *Applications.* To facilitate claims taking, the Social Security Administration (SSA) has designed applications to be used by the public when claiming benefits under title II of the Social Security Act. Prescribed applications include our traditional printed forms and our computer printouts. The printouts are similar in content to the traditional application, forms, but are produced only after an SSA employee has keyed into a computer terminal the answers the applicant has given to the relevant questions. The information on the applications includes such items as date of birth, family relationship, work history, etc. The printout may omit questions that the computer recognizes as irrelevant as a result of the answers to other questions. Phrasing may differ from that on the traditional printed forms.

(b) *Related forms.* The following are some related forms:

SSA-3—Husband's Certification. (For use in connection with Application for Wife's Insurance Benefits, Form SSA-2.)

SSA-8a—Supplement to Form SSA-8 (Application for Lump-Sum Death Payment). (For use with a funeral home's application for lump-sum death payment, Form SSA-8).
