

2005 Call for Nominations

The American Association of Clinical Endocrinologists Board of Directors and the American College of Endocrinology Board of Trustees welcomes your nominations for the following awards to be presented at the 2005 AAACE Annual Meeting & Clinical Congress in Washington, DC.

Please see page 21 for the Award Nomination Form.

American Association of Clinical Endocrinologists

Awards Criteria

AAACE Outstanding Clinical Endocrinologist Award

To be presented annually to an AAACE member(s) at-large in recognition of dedicated and compassionate care provided to patients with endocrine diseases, exceptional knowledge and expertise in the field of clinical endocrinology, and active advocacy of AAACE's mission in both professional and public environments.

Eugene T. Davidson, MD, Award for Public Service

To be presented annually to a non-physician for outstanding contributions to advancing the mission of AAACE in providing quality health care for patients with endocrine disease, including diabetes mellitus, and for the betterment of the public health.

Frontiers in Science Award

To be presented to an individual who has demonstrated exemplary contributions to their individual profession or area of expertise.

Medical Excellence in Ethics Award

To be presented to an individual who has demonstrated exemplary and continuing dedication to upholding the highest principles of medical ethics and standards for the betterment of the public's health.

Outstanding Service Award for the Promotion of Endocrine Health of an Underserved Population

To be presented to an individual for outstanding contributions to the care, health, and service to an underserved population via: leadership, long-term commitment, vision, innovation, and impact/outcomes.

American College of Endocrinology

Awards Criteria

Master of the American College of Endocrinology (MACE)

To be presented annually to a Clinical Endocrinologist who is:

- A Member of AAACE in good standing
- A Fellow of the American College of Endocrinology
- An individual who is recognized by his/her peers as:
 - A distinguished practicing Endocrinologist
 - A role model for developing Endocrinologists
 - A contributor to AAACE and to the art and science of Endocrinology

Distinction in Clinical Endocrinology Award

To be presented annually to a Clinical Endocrinologist who:

- Is recognized by his/her peers as having achieved distinction in the field of Clinical Endocrinology
- Has a sustained record of devotion to teaching the art and science of Clinical Endocrinology

Yank D. Coble, Jr., MD, Distinguished Service Award

To be presented annually to a Clinical Endocrinologist who is:

- Recognized by his/her peers as a leader in American medicine
- Whose personal and professional conduct reflect the values and vision of ACE

International Clinician Award

To be presented to a Clinical Endocrinologist practicing outside of the US for clinical work in endocrinology. This award would be given for work involving but not limited to:

- Delivering outstanding care to endocrine patients
- Delivering care to a population of patients with endocrine problems
- Developing a system of care for an endocrine problem
- Organizing Clinical Endocrinologists
- Effecting social changes that lead to improved care for the endocrine patient
- Educating the public on endocrine problems
