RE: PWS Name: World's Best PWS

UCMR Project Manager:

I am writing to request access to the EPA's Central Data Exchange (CDX) and the Safe Drinking Water Accession and Review System (SDWARS) Unregulated Contaminant Monitoring Rule (UCMR) database because the Public Water Systems I represent are regulated under the Unregulated Contaminant Monitoring Rule (UCMR). The following is a list of individual(s) that are to be granted the authority to access inventory and samples submitted in behalf of "World's Best PWS" water system(s) by the laboratories that are providing the analysis.

CDX User Name	EPA PWS ID	First Name	Last Name	UCMR Role ¹ :	Email Address

Please use the address, telephone, and fax information on the letterhead for all written or telephonic communications. Issues regarding the activation/deactivation of World's Best PWS accounts in CDX for UCMR should be directed to my attention.

Sincerely yours,

Ima PWS
Administrative Director
